## EDITORIAL INFORMATION

**Instructions for Authors and Copyright Status Form:** See the first issue of each volume or visit the Publications Division Web site (<http://pubs.acs.org>) for instructions on preparing and submitting manuscripts and copyright forms to the Editor.

**Manuscript Submission:** Submit at the secure ACS Web site (<http://pubs.acs.org/JACS>) or mail manuscripts to the Editor, Peter J. Stang, Department of Chemistry, University of Utah, 315 South 1400 East, RM 2020, Salt Lake City, Utah 84112-0850.

**Accepted Papers and Proofs:** Direct correspondence to Journal Publications, Columbus, OH. Tel: (614) 447-3665. Fax: (614) 447-3745. E-mail: [acsproof@acs.org](mailto:acsproof@acs.org).

**Journal Policies:** The American Chemical Society and its Editors assume no responsibility for the statements and opinions advanced by contributors. Registered names and trademarks, etc., used in this publication, even without specific indication thereof, are not to be considered unprotected by law.

**Document Number:** At the end of each document is a 9-character code that serves as a link between the printed and electronic products and facilitates retrieval of the document in electronic form.

**Digital Object Identifier (DOI):** The DOI identification system for digital media has been designed to provide persistent and reliable identification of digital objects. Information on the DOI and its governing body, the International DOI Foundation, can be found at <http://www.doi.org>. In the Web editions of ACS journals, the DOI appears at the top of the HTML version of an article and at the bottom of the first page in its PDF version; in the print editions, the DOI appears in the same location as in the PDF version.
