Information for Authors

Manuscripts prepared for publication should be sent in a PDF format by e-mail (the e-mail address is given below), using the option: **Request Read Receipt**.

There is a possibility for authors to send the manuscript (three copies) for publication directly to the Editor or the Managing Editor.

Contributed papers should be written in English.

The title of the paper and the names of the authors are followed by a short Abstract, Key - words and AMS Subject Classification of the paper. References, including titles of papers, should be given in the form adopted by Mathematical Reviews.

If the paper is accepted, the author will be asked to send the text on an IBM PC compatible diskette, or by e-mail. In this case, the text should be prepared using $\mathcal{A}\mathcal{M}\mathcal{S}\text{-}\mathcal{T}\mathcal{E}\mathcal{X}$, with the AMS preprint style (`amsppt.sty`), or using $\mathcal{L}\mathcal{A}\mathcal{T}\mathcal{E}\mathcal{X}$, with the document style (`article.sty`). In both of these cases, the following dimensions should be used.

magnification: `magstephalf` or `11pt`
page height: `7.5truein`
page width: `5truein`

If the text includes the pictures, then the BMP format (`*.bmp`) is required for the $\mathcal{A}\mathcal{M}\mathcal{S}\text{-}\mathcal{T}\mathcal{E}\mathcal{X}$, and the EPS format (`*.eps`) is required for the $\mathcal{L}\mathcal{A}\mathcal{T}\mathcal{E}\mathcal{X}$ format.

Correspondence concerning both manuscripts and library exchanges should be sent to the Managing Editor
