Aims and Scope

The *Hong Kong Journal of Emergency Medicine* is a peer-reviewed quarterly publication of the Hong Kong College of Emergency Medicine and The Hong Kong Society for Emergency Medicine and Surgery. The Journal publishes original research articles, review articles, case reports, and educational information related to all aspects of clinical practice and emergency medicine research in the hospital and pre-hospital setting. All accepted papers become the copyright of the Journal and may be subjected to editorial revision so as to conform to the style adopted by the Journal. **The Journal is indexed in EMBASE/Excerpta Medica and Science Citation Index Expanded (SCIE).**

The opinions expressed in the Journal are those of the authors and are not necessarily those of the Editorial Board, Hong Kong College of Emergency Medicine and The Hong Kong Society for Emergency Medicine and Surgery. We accept no responsibility or liability for material contained herein. We do not guarantee the quality and/or efficacy of any of the commercial products or services depicted in any advertisement in the Journal.
