

Guidelines for Authors

Manuscripts:

- 1) QIC publishes papers in all areas of quantum information processing, including quantum algorithms, quantum information theory, quantum complexity theory, quantum cryptology, quantum communication and measurements, proposals and experiments on the implementation of quantum computation, communications, and entanglement in all areas of science such as ion traps, cavity QED, photons, nuclear magnetic resonance, and solid-state proposals.
- 2) Original articles, survey articles, reviews, tutorials, perspectives, and correspondences are all welcome. Computer science, physics and mathematics are covered. Both theories and experiments are suitable.
- 3) The default upper limit for each article type is: 2 (journal) pages for a correspondence, perspective, or book review; 6 pages for a letter; 40 pages for an original research article; 40 pages for a survey, review, or tutorial article.

Submissions:

- 1) Submission of a paper implies that it has not been published, and is not being considered for publication in another journal. All submitted papers would be acknowledged and peer-reviewed. They will not be returned.
- 2) Author(s), when submitting a paper, are encouraged to provide us with a) the names of two or three “guardian” editors from the list of editors and b) a list of several (preferably 3 to 5) names for potential referees. Authors are also encouraged to specify, in their cover letter, the type of the submitted article as an original article, survey article, review, tutorial, perspective, or correspondence.
- 3) A paper can be submitted by any of the following means:
 - i) sending postscript or pdf as an attachment to QIC@rintonpress.com
 - ii) Web Submission at <http://www.rintonpress.com/journals/qic/>
 - iii) for a paper posted in xxx.lanl archive, sending a note of submission with the code (i.e. quant-ph/9904091) to QIC@rintonpress.com
 - iv) sending three hard copies of your paper to:
QIC, Rinton Editorial, 565 Edmund Terrace, NJ 07652, USA.

Publication:

- 1) Once a paper is accepted for publication in QIC, the copyright is transferred to the publisher. The author retains the rights to use all or part of the paper in his (her) future publications, in which the source of the original publication is acknowledged.
- 2) The authors of accepted papers are requested, if necessary, to reformat their papers according to QIC layout. The instruction and latex template for preparing manuscripts for QIC can be downloaded at <http://www.rintonpress.com/style>
