

Instructions to Authors

Manuscripts should be typed on standard size paper (25 rows, 50 characters in each row). When listing references, please follow the following pattern:

[1] G. Szego, Orthogonal Polynomials, AMS Coll. Publ., Vol. XXXIII (Providence, 1939).

[2] A. Zygmund, Smooth Functions, Duke Math. J., 12 (1945), 47-76.

For abbreviation of names of journals follow the Mathematical Reviews. After the reference give the author's affiliation. Each paper should begin with an abstract. Authors of accepted manuscripts will be asked to send in their TeX files if available. Authors will receive only galley-proofs (one copy). Manuscripts will not be sent back to authors (neither for the purpose of proof-reading nor when rejecting a paper). Authors obtain 25 reprints free of charge. Additional copies may be ordered from the Publisher. Manuscripts can not be submitted electronically

Manuscripts in 2-fold and editorial correspondence should be addressed to:

Acta Mathematica Hungarica
P.O. Box 127
1364 BUDAPEST
Hungary
szabados@renyi.hu
or
Realtanoda u. 13-15
1053 Budapest
Hungary

Only original papers will be considered and copyright will be vested in the Publisher. A copy of the Publishing Agreement will be sent to the authors of papers accepted for publication. Manuscripts will be processed only after receiving the signed copy of the agreement.

Editorial Board

Editor-in-Chief:

Császár

Editor:

J. Szabados
