Authors are requested to prepare their manuscripts as follows: **double spaced** but not two columns. Tables and figures should be placed at the end of the text, one per page, followed by pages with the legends, marked with author's name, figure number and orientation unless obvious. Add numbers to all pages and lines.

Literature citation, e.g.:

for journal articles:

LAHOUE, F.; BOULARD, G.; SCHNEIDER, C.; 1995: Comparaison de différentes techniques de greffage vis-à-vis de leur efficacité de transmission virale sur vigne. *Vitis* **34**, 177-183.

for articles in conference proceedings and monographs:

DRY, P. R.; LOVEYS, B. R.; BOTTING, D. G.; 1996: Effects of partial rootzone drying on grapevine vigour, yield composition of fruit and use of water. In: C. S. STOCKLEY; A. N. SAS; R. S. JOHNSTONE; T. H. LEE (Eds.): Proc. 9th. Aust. Wine Ind. Techn. Conf., 128-131. Adelaide, Australia (Winetitles: Adelaide).

(Please write authors' names in normal or small capital letters (see examples above), but **not in capital letters.**)

Papers are limited to **8 printed pages** except for reviews. The final size of a paper may be calculated as follows: One printed page usually has two columns with 59 lines each with about 55 characters per line.

Research Notes, not exceeding two printed pages (e.g. 8000 characters, 10 citations, one table, one figure) will be published as early as possible after acceptance. Articles describing **grapevine cultivars**, e.g. by molecular markers, must be submitted as research note. Cultivar names must be written as follows: 'Chardonnay'.

Photos in black and white or colour are accepted on glossy paper in final journal size or slightly larger, if appropriate group them (with the edges in contact) into one or more plates of suitable size. Print will be in black and white, however, colour photos may be printed in colour on the title page. Final PDF-files will contain colour photos. In case of electronic submission, please refer to the instructions below.

Upon acceptance, text files of the manuscript on **floppy disc** or **CD-ROM** in MS-Windows format or **e-mail attachment** will be welcome. Texts must be sent as MS-Word files. Tables must be created with the table-function of MS-Word. **Special characters** (e.g. greek, mathematical) must be created with the symbol-function of MS-Word.

Every **figure, diagram** or **photo** (if not sent as print-out) must be sent as separate file. Embedded figures, diagrams or photos cannot be accepted as well as articles in pdf-format.

Photos must be sent in TIFF- or JPG-format (no compression). The resolution must be no less than 300 dpi. Colour photos must be sent in CMYK colour-mode, photos in RGB colour mode yield a faded print out.

VITIS is published quarterly as one volume of four numbers. The subscription price per year plus forwarding charges can be found on publisher's homepage (<http://www.jki.bund.de>). The publication and subscription, for a minimum of one volume, can be obtained through booksellers in Germany and abroad or through the Institut für Rebenzüchtung Geilweilerhof. The subscription will be automatically continued unless it is cancelled immediately upon receipt of the last issue of a volume.
