David Wolber, University of San Francisco, USA

AIMS AND SCOPE

The Journal of Web Engineering (JWE) aims to provide a forum for advancing the scientific state of knowledge in all areas of Web Engineering. Original articles, survey articles, reviews, tutorials, perspectives, and general correspondence are all welcome. Appropriate submissions should address significant issues and problems, and potential solutions, and will be reviewed in accordance with peer review conventions (for details see: <http://www.rintonpress.com/journals/jwe/>).

Subscription, change of address, single-copy orders should be addressed to Journals Dept, Rinton Press, Paramus, NJ 07652, USA, or at e-mail address: jwe@rintonpress.com. For subscription and for further information, one can also check the JWE web page at <http://www.rintonpress.com/journals/jwe/>
