

ATTENTION ASHA CEU PARTICIPANTS

Beginning in 2005, ASHA requires journal reading activities to be offered for CEUs based upon word count and readability formulas.

Because each issue of the *Journal of Fluency Disorders* (JFD) may have a different word count, issues will no longer be offered for a set value of 1.0 CEU per issue. Rather, some issues will be offered for more than 1.0 CEU and some may be offered for less. The average will be 1.0 CEU per issue, however.

If you have any questions about this change in CEU allocations for the JFD, please feel free to contact the JFD ASHA CEU administrator, Nan Ratner, at: nratner@hesp.umd.edu or the ASHA Continuing Education Board (CEB) at: continuingeduc@asha.org.

We appreciate your participation in the JFD CEU activities.

CONTINUING EDUCATION SELF-STUDY PROGRAM

The program objectives of the *Journal of Fluency Disorders* (JFD) include: (1) providing a forum for the acquisition of new knowledge; (2) providing up-to-date professional information; (3) and focusing ideas for improving delivery of clinical services. Elsevier Inc.-JFD is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. This program is offered for a varying value of CEUs per issue (see above) at intermediate level, professional area. ASHA CEU Provider approval does not imply endorsement of course content, specific products or clinical procedures.

ASHA CEU Registry Fee: An annual ASHA CEU registry fee is required to register ASHA CEUs. CEU registry fees are paid by the participant directly to the ASHA National Office. The annual CEU registry fee (\$24 for ASHA/ NSSLHA members, \$34 for nonmembers) allows registration of an unlimited number of ASHA CEUs for the calendar year. Contact the ASHA CEU Division (301-897-5700) for CEU fee subscription information.

Self-Study Participant Instructions: Self-study continuing education participants read each issue, answer the 1–7 questions at the end of each article, and mail or fax the answer sheet located at the back of each issue. A score of 80% correct must be obtained for CEUs to be earned for the issue. CEU credits for each participant will be submitted to ASHA.

To enroll in the JFD continuing education self-study program, fill out the registration form, and complete the credit card information or enclose a check or money order for \$60.00 for four issues in one volume. This CEU fee is separate from the journal subscription cost. The CEU fee covers all educational administrative costs for one volume. Although all participants pay the entire annual fee, credit(s) will be submitted only for each journal issue successfully completed. For additional information contact the JFD CE administrator, (301-405-4214; fax: 301-314-2023, e-mail: nratner@hesp.umd.edu), or see: <http://www.bsos.umd.edu/hesp/continuingEducation/overview.htm>.
