

# Journal of Vascular Surgery

Jack L. Cronenwett, Editor  
James M. Seeger, Editor

Complete information for authors and editorial policies are available in the January and July issues, at our Web site [www.mosby.com/jvs](http://www.mosby.com/jvs), or at our Editorial Manager Web site at [jvs.editorialmanager.com](http://jvs.editorialmanager.com). An abbreviated checklist for manuscript submission follows. Manuscripts that are accepted for publication become the property of the *Journal of Vascular Surgery*, which is copyrighted by The Society for Vascular Surgery. They may not be published or reproduced in whole or in part without the written permission of the author(s) and the Journal.

Manuscripts to be considered for publication should be submitted to the Journal electronically using the Editorial Manager submission system located at [jvs.editorialmanager.com](http://jvs.editorialmanager.com). Detailed instructions on submitting a manuscript are available on that Web site.

## CHECKLIST FOR MANUSCRIPT SUBMISSION

(Note: If any item in the following abbreviated list is not clear, please review the complete Information for Authors document or consult the editorial office.)

- Use of *Editorial Manager* (EM) system to submit the corresponding author's name, address, e-mail, telephone and fax numbers, and the names and affiliations of all other authors
- A completed Author Role, Sponsor Involvement, and Competition of Interest form, uploaded to EM with the manuscript. (This form can be found at the bottom of the Welcome page at <http://jvs.editorialmanager.com>)
- A completed Reviewer Request form, uploaded to EM with the manuscript. (This form can be found at the bottom of the Welcome page at <http://jvs.editorialmanager.com>)
- Formatting of Manuscript
  - double-space entire manuscript
  - at least 12-pitch font
  - ragged (unjustified) right margin
  - number all pages consecutively in the upper right-hand corner
- Abstract and Title Page should include the title of the manuscript, the names of the authors, affiliations, and contact information for the corresponding author. Abstract should be at least 250 words and must not exceed 400 words in structured format for clinical and basic science manuscripts
- Text of Manuscript
  - For studies involving human subjects, a statement that appropriate human ethics committee approval was obtained
  - For studies involving animal experiments, a statement that institutional approval was obtained.
  - References, figures, and tables cited in numeric order
  - Acknowledgments
  - References
    - double-space
    - in numeric order as cited in text
  - Tables
    - each saved and uploaded to EM as a separate file
    - descriptive title for each
  - Legends: double-space and in a separate electronic file
  - Figures
    - All images must be provided electronically, and uploaded via the EM system as separate files
    - If possible, figures should be saved and uploaded as TIFF or EPS files
    - Detailed artwork instructions and help with formatting, sizing, scanning, and file naming can be found at <http://www.elsevier.nl/homepage/sab/artwork>
  - Permissions
    - permission to reproduce published material from copyright holder
    - signed releases to publish patient photographs

Copyright Transfer Form

---

Manuscript Title: \_\_\_\_\_ Manuscript Number: \_\_\_\_\_

Corresponding Author: \_\_\_\_\_

A signature below affirms compliance with the following statements.

**Copyright transfer.** “The undersigned author(s) transfer(s), assign(s), or otherwise convey(s) all copyright ownership of the manuscript to The Society for Vascular Surgery in the event the work or a revised version is published in the *Journal of Vascular Surgery*.” **OR**

**US federal employees.** If you are an employee of the US Federal Government, please indicate so next to your signature below, which affirms compliance with the following statement: “I was an employee of the US Federal Government when this study was carried out and/or the manuscript prepared for publication. Hence, the copyright ownership cannot be transferred since the work is not protected by the Copyright Act.”

**Originality.** “The undersigned author(s) warrant(s) that the article is original in form and substance, a manuscript of similar content has not been published in print or digital medium under my (our) authorship, does not infringe upon any copyright or other proprietary right of any third party, and is not under consideration by another journal.”

**Acknowledgements:** “Authors must obtain written permission from all individuals named in an acknowledgement. By signing this form, the corresponding author certifies that: all persons who have made substantial contributions to the work in this manuscript but who do not fulfill the authorship criteria in the Author Role form are named with their specific contributions in an acknowledgment, and have provided written permission to be so named.”

A signature below also confirms that each author has reviewed the Author and Sponsor Role information submitted with the manuscript, and certifies the accuracy of this information.

ALL authors must sign this form. Separate forms can be used for each author but all must be submitted together. Once a manuscript has been accepted for publication in the Journal of Vascular Surgery, the completed form(s) must be sent by express mail to:
