Online Manuscript Submission

Springer now offers authors, editors and reviewers of *Population and Environment* the option of using our fully web-enabled online manuscript submission and review system. To keep the review time as short as possible (no postal delays!), we encourage authors to submit manuscripts online to the journal's editorial office. Our online manuscript submission and review system offers authors the option to track the progress of the review process of manuscripts in real time. Manuscripts should be submitted to:
<http://poen.edmgr.com>

The online manuscript submission and review system for *Population and Environment* offers easy and straightforward log-in and submission procedures. This system supports a wide range of submission file formats: for manuscripts - Word, WordPerfect, RTF, TXT and LaTeX; for figures - TIFF, GIF, JPEG, EPS, PPT, and Postscript.

NOTE: By using the online manuscript submission and review system, it is NOT necessary to submit the manuscript also in printout + disk.

In case you encounter any difficulties while submitting your manuscript on line, please get in touch with the responsible Editorial Assistant by clicking on "CONTACT US" from the tool bar.

Style should conform to the APA Publication Manual, 4th Edition (1994), which can be purchased from the American Psychological Association, 750 First Street, NE, Washington, DC 20002. Except for an introductory footnote, footnotes are discouraged. Authors should seek written permission from the copyright owner for the use of tables, illustrations, or extensively quoted material which has previously appeared in another publication.
