- CHAPTER I Working across Disciplines to Understand and Manage
Invasive Species 1

R. P. Keller, M. Cadotte, G. Sandiford

SECTION I INTRODUCTION

**Of Toads, Squirrels, Carps, and Kids: How Science
and Human Perceptions Drive Our Responses to Invasive
Species**

- CHAPTER 2 The Ecological, Evolutionary, and Social Impact of
Invasive Cane Toads in Australia 23

R. Shine

- CHAPTER 3 A Tale of Two Squirrels: A British Case Study of the
Sociocultural Dimensions of Debates over Invasive
Species 44

P. Coates

- CHAPTER 4 Fish Tales: Optimism and Other Bias in Rhetoric about
Exotic Carps in America 72

G. Sandiford

- CHAPTER 5 "Sooper" Impact: Drawing the Attention of Kids to the
Dangers of Invasive Species 99

M. Newman

SECTION II INTRODUCTION

**Here They Come: Understanding and Managing the
Introduction of Invasive Species**

- CHAPTER 6 Patterns of Live Vertebrate Importation into the United States: Analysis of an Invasion Pathway 115
C. Romagosa
- CHAPTER 7 All in the Family: Relatedness and the Success of Introduced Species 147
M. Cadotte, L. Jin
- CHAPTER 8 Reducing Damaging Introductions from International Species Trade through Invasion Risk Assessment 163
M. Springborn
- SECTION III INTRODUCTION
- Controlling the Bad: Reducing the Impacts of Established Invaders**
- CHAPTER 9 Evaluating the Economic Costs and Benefits of Slowing the Spread of Emerald Ash Borer 185
J. Bossenbroek, A. Croskey, D. Finnoff, L. Iverson, S. McDermott, A. Prasad, C. Sims, D. Sydnor
- CHAPTER 10 Climate Change Challenges in the Management of Invasive Sea Lamprey in Lake Superior 209
J. Kitchell, T. Cline, V. Bennington, G. McKinley
- CHAPTER 11 Ecological Separation without Hydraulic Separation: Engineering Solutions to Control Invasive Common Carp in Australian Rivers 233
Robert Keller
- CHAPTER 12 Does Enemy Release Contribute to the Success of Invasive Species? A Review of the Enemy Release Hypothesis 252
K. Prior, J. Hellmann
- SECTION IV INTRODUCTION
- Where To from Here? Policy Prospects at International, National, and Regional Levels**
- CHAPTER 13 From Global to Local: Integrating Policy Frameworks for the Prevention and Management of Invasive Species 283
S. Burgiel

- CHAPTER 14 Developing Invasive Species Policy for a Major Free Trade Bloc: Challenges and Progress in the European Union 303
C. Shine
- CHAPTER 15 There Ought to Be a Law! The Peculiar Absence of Broad Federal Harmful Nonindigenous Species Legislation 327
M. Miller
- CHAPTER 16 Pathways toward a Policy of Preventing New Great Lakes Invasions 356
J. Brammeier, T. Cmar
- CHAPTER 17 Final Thoughts: Nature and Human Nature 381
G. Sandiford, R. P. Keller, M. Cadotte
- Index 395
