INTRODUCTION	vii
How common names of Australian birds have been derived	vii
How scientific names of birds are derived	xii
Procedures and pronunciations	xiv
NON-PASSERINES	1
STRUTHIONIDAE; ostrich	2
CASUARIIDAE; emus, cassowaries	2
MEGAPODIIDAE; mound builders	3
NUMIDIDAE; guineafowl	4
ODONTOPHORIDAE; California Quail	5
PHASIANIDAE; quails, chook relatives	5
ANSERANATIDAE; Magpie Goose	7
ANATIDAE; geese, ducks, swans	8
PHAETHONTIDAE; tropicbirds	18
PODICIPEDIDAE; grebes	19
PHOENICOPTERIDAE; flamingoes	21
COLUMBIDAE; pigeons and doves	21
PODARGIDAE; frogmouths	31
CAPRIMULGIDAE; nightjars	33
EUROSTOPODIDAE; eared nightjars	34
AEGOTHELIDAE; owlet-nightjars	35
APODIDAE; swifts	37
HYDROBATIDAE; northern storm-petrels	38
OCEANITIDAE; southern storm-petrels	39
DIOMEDEIDAE; albatrosses	41
PROCELLARIIDAE; petrels, prions, shearwaters	44
SPHENISCIDAE; penguins	54
FREGATIDAE; frigatebirds	57
SULIDAE; boobies and gannets	58
ANHINGIDAE; darters	59
PHALACROCORACIDAE; cormorants	60
PELECANIDAE; pelicans	62
CICONIIDAE; storks	62
ARDEIDAE; herons, egrets, bitterns	64
THRESKIORNITHIDAE; ibis and spoonbills	69
ACCIPITRIDAE; eagles, hawks, osprey etc.	71
FALCONIDAE; falcons	79
GRUIDAE; cranes	81
RALLIDAE; crakes and rails	82

OTIDIDAE; bustards	87
CHIONIDAE; sheathbills	88
BURHINIDAE; stone-curlews	88
HAEMATOPODIDAE; oystercatchers	89
RECURVIROSTRIDAE; stilts and avocets	90
CHARADRIIDAE; plovers and dotterels	91
PEDIONOMIDAE; plains-wanderer	96
JACANIDAE; jacanas	96
ROSTRATULIDAE; painted snipes	98
SCOLOPACIDAE; 'waders'— snipes, sandpipers, curlews etc.	98
TURNICIDAE; button-quails	110
GLAREOLIDAE; pratincoles	112
STERCORARIIDAE; skuas and jaegers	114
LARIDAE; gulls, terns and noddies	115
NESTORIDAE; New Zealand parrots	123
CACATUIDAE; cockatoos	124
PSITTACIDAE; parrots	131
CUCULIDAE; cuckoos	144
STRIGIDAE; typical or hawk owls	149
TYTONIDAE; barn owls	152
ALCEDINIDAE; river or fishing kingfishers	154
HALCYONIDAE; tree kingfishers	155
MEROPIIDAE; bee-eaters	160
CORACIIDAE; rollers	161

PASSERINES

163

PITTIDAE; pittas	164
MENURIDAE; lyrebirds	165
ATRICHORNITHIDAE; scrub-birds	166
CLIMACTERIDAE; Australasian treecreepers	167
PTILONORHYNCHIDAE; bowerbirds	168
MALURIDAE; fairy-wrens, emuwrens, grasswrens	171
DASYORNITHIDAE; bristlebirds	177
ACANTHIZIDAE; scrubwrens and allies, gerygones, thornbills, whitefaces	178
PARDALOTIDAE; pardalotes	191
MELIPHAGIDAE; honeyeaters and chats	192
POMATOSTOMIDAE; Australian babblers	216
ORTHONYCHIDAE; logrunners	218
PSOPHODIDAE; quail-thrushes, whipbirds, wedgebills	219
NEOSITTIDAE; sittellas	222
CAMPEPHAGIDAE; cuckoo-shrikes and trillers	222
PACHYCEPHALIDAE; shrike-tit, whistlers and shrike-thrushes	225
ORIOLIDAE; orioles and figbirds	230
ARTAMIDAE; woodswallows, magpies, currawongs, butcherbirds	233
DICRURIDAE; drongoes	239
RHIPIDURIDAE; fantails	239

LANIIDAE; shrikes	242
CORVIDAE; ravens and crows	243
MONARCHIDAE; monarch-flycatchers	245
CORCORACIDAE; chough and apostlebird	251
PARADISAEIDAE; birds of paradise, riflebirds, manucodes	252
PETROICIDAE; Australian robins	254
ALAUDIDAE; larks	260
CISTICOLIDAE	261
ACROCEPHALIDAE; reed-warblers	262
MEGALURIDAE; some 'Old World Warblers', including grassbirds and songlarks	263
TIMALIIDAE; silvereyes, white-eyes	265
PHYLLOSCOPIDAE; some Old World warblers including leaf-warblers	267
HIRUNDINIDAE; swallows and martins	267
PYCNONOTIDAE; bulbuls	269
MUSCICAPIDAE; Old World flycatchers	269
TURDIDAE; thrushes	271
STURNIDAE; starlings	272
NECTARINIIDAE; flowerpeckers and sunbirds	274
ESTRILDIDAE; grass-finches	275
PASSERIDAE; Old World sparrows	283
MOTACILLIDAE; pipits and wagtails	283
FRINGILLIDAE; 'true' finches	285
EMBERIZIDAE; buntings and American sparrows	286
