Preface.....	x
Acknowledgements.....	xi
Chapter 1. The Atlantic Maritime Ecozone: old mountains tumble into the sea <i>Donald F. McAlpine and Ian M. Smith</i>	1
Chapter 2. Environmental history of the Atlantic Maritime Ecozone <i>Randall F. Miller</i>	13
Chapter 3. Changing forest landscapes in the Atlantic Maritime Ecozone <i>Judy Loo, Les Cwynar, Bill Freedman, and Nadine Ives</i>	35
Chapter 4. Inland waters and aquatic habitats of the Atlantic Maritime Ecozone <i>Greg J. Klassen and Andrea Locke</i>	43
Chapter 5. Protected areas in the Atlantic Maritime Ecozone <i>Bill Freedman, Margo Morrison, Roberta Vanderkam, and Ed B. Wiken</i>	63
Chapter 6. Aquatic hyphomycetes (Deuteromycotina) of the Atlantic Maritime Ecozone <i>Felix Bärlocher and Ludmila Marvanová</i>	71
Chapter 7. Fleshy fungi (Basidiomycota) of the Atlantic Maritime Ecozone <i>David Malloch</i>	107
Chapter 8. Lichens and allied fungi of the Atlantic Maritime Ecozone <i>Stephen R. Clayden</i>	153
Chapter 9. Mosses (Bryophyta) of the Atlantic Maritime Ecozone <i>René J. Belland</i>	179
Chapter 10. Vascular flora of the Atlantic Maritime Ecozone: some new perspectives <i>Stephen R. Clayden, Marian C. Munro, C. Sean Blaney, and Sam P. Vander Kloet</i>	197
Chapter 11. Exotic and invasive vascular plants of the Atlantic Maritime Ecozone <i>Nick M. Hill and C. Sean Blaney</i>	215
Chapter 12. Zooplankton (Rotifera, Cladocera, Copepoda) of the Atlantic Maritime Ecozone <i>Andrea Locke and Greg J. Klassen</i>	233
Chapter 13. Earthworms (Oligochaeta: Lumbricidae, Sparganophilidae) of the Atlantic Maritime Ecozone <i>John W. Reynolds</i>	255
Chapter 14. Water mites (Acarina: Hydrachnidiae) of the Atlantic Maritime Ecozone <i>Ian M. Smith</i>	283
Chapter 15. Oribatid mites (Acarina: Oribatida) of the Atlantic Maritime Ecozone <i>Valerie M. Behan-Pelletier</i>	313
Chapter 16. Dragonflies and damselflies (Odonata) of the Atlantic Maritime Ecozone <i>Paul-Michael Brunelle</i>	333

Chapter 17. Grasshoppers (Orthoptera) and allied insects of the Atlantic Maritime Ecozone <i>G.G.E. Scudder and V.R. Vickery</i>	371
Chapter 18. True bugs (Heteroptera) of the Atlantic Maritime Ecozone <i>G.G.E. Scudder</i>	381
Chapter 19. "Short-horned" bugs (Homoptera) of the Atlantic Maritime Ecozone <i>K.G.A. Hamilton</i>	405
Chapter 19 Supplement. Taxonomic supplement to "short-horned" bugs (Homoptera) of the Atlantic Maritime Ecozone <i>K.G.A. Hamilton and Yong Jung Kwon</i>	421
Chapter 20. Featherwing beetles (Coleoptera: Ptiliidae) of the Atlantic Maritime Ecozone <i>Christopher G. Majka and Mikael Sörensson</i>	433
Chapter 21. Ladybird beetles (Coleoptera: Coccinellidae) of the Atlantic Maritime Ecozone <i>Christopher G. Majka and David B. McCorquodale</i>	439
Chapter 22. False darkling beetles (Coleoptera: Melandryidae) and allies of the Atlantic Maritime Ecozone <i>Christopher G. Majka and Darren A. Pollock</i>	453
Chapter 23. Longhorn beetles (Coleoptera: Cerambycidae) of the Atlantic Maritime Ecozone <i>David B. McCorquodale</i>	465
Chapter 24. Water beetles (Coleoptera: Dytiscidae) of the Atlantic Maritime Ecozone <i>David J. Larson</i>	477
Chapter 25. Moths and butterflies (Lepidoptera) of the Atlantic Maritime Ecozone <i>J.D. Lafontaine, J.T. Troubridge, and A.W. Thomas</i>	489
Chapter 26. Mosquitoes (Diptera: Culicidae) of the Atlantic Maritime Ecozone <i>Jim Edsall, Reginald P. Webster, Marie-Andrée Giguère, Patrick Maltais, and Jocelyne Roy</i>	539
Chapter 27. Freshwater mussels (Bivalvia: Margaritiferidae, Unionidae) of the Atlantic Maritime Ecozone <i>André L. Martel, Donald F. McAlpine, Jacqueline B. Madill, Dwayne L. Sabine, Annie Paquet, Mark D. Pulsifer, and Mark F. Elderkin</i>	551
Chapter 28. Freshwater fishes of the Atlantic Maritime Ecozone <i>R. Allen Curry and Mark D. Gautreau</i>	599
Chapter 29. Amphibians and reptiles of the Atlantic Maritime Ecozone <i>Donald F. McAlpine</i>	613
Chapter 30. Birds of the Atlantic Maritime Ecozone <i>Dwayne L. Sabine</i>	633
Chapter 31. Mammals of the Atlantic Maritime Ecozone <i>Graham J. Forbes, Donald F. McAlpine, and Fred W. Scott</i>	693
