INTRODUCTION	
Definition of aquatic plants	13
Geographical coverage	14
Scientific and English names	14
SOURCES OF RECORDS	
Criteria for incorporating new records	15
Major sources of records incorporated during the project	16
SYSTEMATIC ACCOUNTS	
Explanatory notes on the text	19
Explanatory notes on the maps	20
Isoetaceae	21
Equisetaceae	26
Marsileaceae	31
Azollaceae	33
Nymphaeaceae	35
Cabombaceae	43
Ceratophyllaceae	45
Ranunculaceae	49
Polygonaceae	70
Elatinaceae	75
Brassicaceae	78
Primulaceae	88
Crassulaceae	90
Rosaceae	93
Haloragaceae	95
Lythraceae	103
Onagraceae	107
Apiaceae	110
Menyanthaceae	122
Boraginaceae	126
Hippuridaceae	128
Callitrichaceae	130
Plantaginaceae	139
Scrophulariaceae	142

Lentibulariaceae	147
Campanulaceae	154
Butomaceae	156
Alismataceae	159
Hydrocharitaceae	176
Aponogetonaceae	195
Potamogetonaceae	197
Ruppiaceae	230
Najadaceae	233
Zannichelliaceae	238
Araceae	241
Lemnaceae	246
Eriocaulaceae	255
Juncaceae	258
Cyperaceae	260
Poaceae	298
Sparganiaceae	312
Typhaceae	322
Iridaceae	326

CONSERVATION DESIGNATION OF THE RARER SPECIES

Rare and threatened plants in Britain	329
Scarce plants in Britain	330
Rare and threatened plants in Ireland	330
Protected species in Europe	330
British and Irish species with a restricted world distribution	331
<i>List of localities cited in the text</i>	332
<i>References</i>	337
<i>Index to accounts of species, subspecies and hybrids</i>	362
