Foreword	v
Preface	ix
Acknowledgements	xi
List of Contributors	xv
1. Meet the Damselishes	1
<i>Eric Parmentier and Bruno Frédéric</i>	
2. A Revised Damselish Taxonomy with a Description of the Tribe Microspathodontini (Giant Damselishes)	13
<i>W. James Cooper and Francesco Santini</i>	
3. Reproduction and Larval Recruitment in Damselishes	31
<i>David Lecchini, Suzanne C. Mills and Ricardo Beldade</i>	
4. Sex Change Strategies and Group Structure of Damselishes	55
<i>Akihisa Hattori and Margarida Casadevall</i>	
5. Habitat-use and Specialisation among Coral Reef Damselishes	84
<i>Morgan S. Pratchett, Andrew S. Hoey, Shaun K. Wilson, Jean-Paul A. Hobbs and Gerald R. Allen</i>	
6. Farming Behaviour of Territorial Damselishes	122
<i>Hiroki Hata and Daniela M. Ceccarelli</i>	
7. Trophic Ecology of Damselishes	153
<i>Bruno Frédéric, Damien Olivier, Laura Gajdzik and Eric Parmentier</i>	
8. Ontogeny and Early Life Stages of Damselishes	168
<i>Kathryn Kavanagh and Bruno Frédéric</i>	
9. Ecomorphology and Iterative Ecological Radiation of Damselishes	183
<i>Bruno Frédéric, W. James Cooper and Rosalía Aguilar-Medrano</i>	
10. Sound Production in Damselishes	204
<i>Eric Parmentier, David Lecchini and David A. Mann</i>	
11. Hearing in Damselishes	229
<i>Orphal Colleye, Eric Parmentier and Loïc Kéver</i>	

12. Clownfishes	246
<i>Orphal Colleye, Eri Iwata and Eric Parmentier</i>	
13. Vision and Colour Diversity in Damselfishes	267
<i>Ulrike E. Siebeck</i>	
14. Cerato-Mandibular Ligament: A Key Trait in Damselfishes?	295
<i>Damien Olivier, Bruno Frédérick and Eric Parmentier</i>	
General Index	315
Species Index	320
