Preface | xiii

Introduction | 1

## Chapter 1: Medicinal Plants of Yards and Meadows | 9

- Alfalfa (*Medicago*) | 9
- Asiatic Dayflower (*Commelina*) | 11
- Asparagus (*Asparagus*) | 12
- Daylily (*Hemerocallis*) | 13
- Dandelion (*Taraxacum*) | 14
- Horse Nettle (*Solanum*) | 15
- Plantain (*Plantago*) | 16
- Wild Carrot (*Daucus*) | 17
- Goldenrod (*Solidago*) | 19
- Stinging Nettle (*Urtica*) | 21
- Strawberry (*Fragaria*) | 23
- Yarrow (*Achillea*) | 24
- Marijuana (*Cannabis*) | 25
- Mullein (*Verbascum*) | 27
- Burdock (*Arctium*) | 28
- Chicory (*Cichorium*) | 29
- Dock (*Rumex*) | 30
- Morning Glory (*Ipomoea*) | 31
- Lemon Balm (*Melissa*) | 32
- Common Milkweed (*Asclepias*) | 33
- Red Clover (*Trifolium*) | 35
- Lamb's-quarters (*Chenopodium*) | 36
- Catnip (*Nepeta*) | 37
- Chamomile (*Matricaria*) | 38
- Echinacea (*Echinacea*) | 40
- Bee Balm (*Monarda*) | 41
- Evening Primrose (*Oenothera*) | 42
- Butterfly Milkweed (*Asclepias*) | 44
- Motherwort (*Leonurus*) | 45
- Foxglove (*Digitalis*) | 46
- Pokeweed (*Phytolacca*) | 47
- Amaranth, Red Root (*Amaranthus*) | 49
- Passion Flower (*Passiflora*) | 50
- Purslane (*Portulaca*) | 51

|                                          |    |
|------------------------------------------|----|
| Saint-John's-Wort ( <i>Hypericum</i> )   | 52 |
| Heal-all ( <i>Prunella</i> )             | 53 |
| Spiderwort ( <i>Tradescantia</i> )       | 54 |
| Jimsonweed ( <i>Datura</i> )             | 56 |
| Comfrey ( <i>Symphytum</i> )             | 57 |
| Wild Yam ( <i>Dioscorea</i> )            | 58 |
| Baptisia ( <i>Baptisia</i> )             | 59 |
| California Poppy ( <i>Eschscholzia</i> ) | 60 |
| Flax ( <i>Linum</i> )                    | 61 |

## Chapter 2: Medicinal Herbs of Eastern Forested Areas | 63

|                                              |    |
|----------------------------------------------|----|
| Skunk Cabbage ( <i>Symplocarpus</i> )        | 63 |
| Hepatica ( <i>Hepatica</i> )                 | 64 |
| Bloodroot ( <i>Sanguinaria</i> )             | 65 |
| Mayapple ( <i>Podophyllum</i> )              | 66 |
| Wild Leeks ( <i>Allium</i> )                 | 67 |
| Jack-in-the-Pulpit ( <i>Arisaema</i> )       | 68 |
| Uva-Ursi ( <i>Arctostaphylos</i> )           | 69 |
| Wintergreen ( <i>Gaultheria</i> )            | 70 |
| Celandine ( <i>Chelidonium</i> )             | 72 |
| Club Moss ( <i>Huperzia</i> )                | 73 |
| Lady's Slipper Orchid ( <i>Cypripedium</i> ) | 74 |
| Black Cohosh ( <i>Actaea</i> )               | 75 |
| Blue Cohosh ( <i>Caulophyllum</i> )          | 76 |
| Black Nightshade ( <i>Solanum</i> )          | 77 |
| Ginseng ( <i>Panax</i> )                     | 78 |
| Goldenseal ( <i>Hydrastis</i> )              | 80 |
| Skullcap ( <i>Scutellaria</i> )              | 81 |
| Mistletoe ( <i>Phoradendron</i> )            | 82 |
| Ground Nut ( <i>Apios</i> )                  | 83 |
| Indian Cucumber ( <i>Medeola</i> )           | 84 |
| Wild Ginger ( <i>Asarum</i> )                | 85 |

## Chapter 3: Woody Plants of Eastern States | 87

|                                 |    |
|---------------------------------|----|
| Apple ( <i>Malus</i> )          | 87 |
| Coconut Palm ( <i>Cocos</i> )   | 89 |
| Grapes ( <i>Vitis</i> )         | 90 |
| Oaks ( <i>Quercus</i> )         | 91 |
| Maples ( <i>Acer</i> )          | 93 |
| Black Walnut ( <i>Juglans</i> ) | 95 |
| Cherries ( <i>Prunus</i> )      | 96 |

|                                  |     |
|----------------------------------|-----|
| Osage Orange ( <i>Maclura</i> )  | 97  |
| Sassafras ( <i>Sassafras</i> )   | 98  |
| Hawthorn ( <i>Crataegus</i> )    | 99  |
| Honeysuckle ( <i>Lonicera</i> )  | 101 |
| Pines ( <i>Pinus</i> )           | 101 |
| Poplars ( <i>Populus</i> )       | 102 |
| White Cedar ( <i>Thuja</i> )     | 104 |
| Pawpaw ( <i>Asimina</i> )        | 105 |
| Eastern Hemlock ( <i>Tsuga</i> ) | 106 |
| Balsam Fir ( <i>Abies</i> )      | 107 |
| Witch Hazel ( <i>Hamamelis</i> ) | 107 |
| Slippery Elm ( <i>Ulmus</i> )    | 109 |

#### Chapter 4: Medicinal Herbs of Wetlands | 111

|                                                      |     |
|------------------------------------------------------|-----|
| American Lotus ( <i>Nelumbo</i> )                    | 111 |
| Arrowhead, Wapato, Duck Potato ( <i>Sagittaria</i> ) | 113 |
| American Pond Lily ( <i>Nymphaea</i> )               | 113 |
| Cattail ( <i>Typha</i> )                             | 114 |
| Reed ( <i>Phragmites</i> )                           | 115 |
| Duckweed ( <i>Lemna</i> )                            | 116 |
| Mint ( <i>Mentha</i> )                               | 117 |
| Watercress ( <i>Nasturtium</i> )                     | 119 |
| Horsetail ( <i>Equisetum</i> )                       | 120 |
| Angelica ( <i>Angelica</i> )                         | 121 |
| Balmory ( <i>Chelone</i> )                           | 122 |
| Blue Flag ( <i>Iris</i> )                            | 123 |
| Jewelweed ( <i>Impatiens</i> )                       | 124 |
| Boneset ( <i>Eupatorium</i> )                        | 125 |
| Joe-Pye Weed ( <i>Eurochium</i> )                    | 126 |
| Bittersweet Nightshade ( <i>Solanum</i> )            | 127 |
| Sweet Flag ( <i>Acorus</i> )                         | 128 |
| Gentian ( <i>Gentiana</i> )                          | 130 |
| Lobelia ( <i>Lobelia</i> )                           | 131 |
| Sweetgrass ( <i>Hierochloe</i> )                     | 133 |
| Cranberry ( <i>Vaccinium</i> )                       | 134 |
| Beach Wormwood ( <i>Artemisia</i> )                  | 135 |

#### Chapter 5: Woody Wetland Plants | 137

|                              |     |
|------------------------------|-----|
| Willows ( <i>Salix</i> )     | 137 |
| Barberry ( <i>Berberis</i> ) | 138 |
| Bayberry ( <i>Myrica</i> )   | 139 |

## CONTENTS

|                                |     |
|--------------------------------|-----|
| Paper Birch ( <i>Betula</i> )  | 140 |
| Blueberry ( <i>Vaccinium</i> ) | 142 |
| Elderberry ( <i>Sambucus</i> ) | 143 |
| Mountain Ash ( <i>Sorbus</i> ) | 144 |
| Spicebush ( <i>Lindera</i> )   | 145 |
| Tamarack ( <i>Larix</i> )      | 146 |
| Spirea ( <i>Spiraea</i> )      | 147 |

### Chapter 6: Medicinal Plants of the Mountain West | 149

|                                               |     |
|-----------------------------------------------|-----|
| Pasque Flower ( <i>Pulsatilla</i> )           | 149 |
| Aconite ( <i>Aconitum</i> )                   | 150 |
| Blackberry ( <i>Rubus</i> )                   | 151 |
| Fireweed ( <i>Chamerion</i> )                 | 152 |
| Gooseberry ( <i>Ribes</i> )                   | 153 |
| Hops ( <i>Humulus</i> )                       | 154 |
| Pearly Everlasting ( <i>Anaphalis</i> )       | 155 |
| American Licorice ( <i>Glycyrrhiza</i> )      | 156 |
| Oxeye Daisy ( <i>Chrysanthemum</i> )          | 157 |
| Western Skunk Cabbage ( <i>Lysichiton</i> )   | 158 |
| False Hellebore ( <i>Veratrum</i> )           | 159 |
| Arnica ( <i>Arnica</i> )                      | 160 |
| Sitka Valerian ( <i>Valeriana</i> )           | 161 |
| Bistort ( <i>Polygonum</i> )                  | 162 |
| Beargrass ( <i>Xerophyllum</i> )              | 163 |
| Usnea ( <i>Usnea</i> )                        | 164 |
| Arrowleaf Balsam Root ( <i>Balsamorhiza</i> ) | 165 |
| Pipsissewa ( <i>Chimaphila</i> )              | 166 |
| Sheep Sorrel ( <i>Rumex</i> )                 | 167 |

### Chapter 7: Medicinal Plants of the West Coast | 169

|                                    |     |
|------------------------------------|-----|
| Devil's Club ( <i>Oplopanax</i> )  | 169 |
| Red Alder ( <i>Alnus</i> )         | 170 |
| Western Red Cedar ( <i>Thuja</i> ) | 171 |
| Douglas Fir ( <i>Pseudotsuga</i> ) | 173 |
| Juniper ( <i>Juniperus</i> )       | 174 |
| Sweet Cicely ( <i>Myrrhis</i> )    | 175 |
| Sweet Clover ( <i>Melilotus</i> )  | 176 |
| Tansy ( <i>Tanacetum</i> )         | 177 |
| Tobacco ( <i>Nicotiana</i> )       | 178 |
| Western Hemlock ( <i>Tsuga</i> )   | 179 |
| Madrone ( <i>Arbutus</i> )         | 180 |

|                                 |     |
|---------------------------------|-----|
| Oregon Grape ( <i>Mahonia</i> ) | 181 |
| Buckthorn ( <i>Rhamnus</i> )    | 182 |
| American Yew ( <i>Taxus</i> )   | 184 |

## **Chapter 8: Medicinal Plants of the Desert and Arid Regions | 185**

|                                            |     |
|--------------------------------------------|-----|
| Buffalo Gourd ( <i>Cucurbita</i> )         | 185 |
| Sage ( <i>Artemisia</i> )                  | 186 |
| Prickly Pear ( <i>Opuntia</i> )            | 187 |
| Rabbitbush, Brushbar ( <i>Ericameria</i> ) | 189 |
| Yucca ( <i>Yucca</i> )                     | 190 |
| Agave ( <i>Agave</i> )                     | 191 |
| Gumweed ( <i>Grindelia</i> )               | 192 |
| Mormon Tea ( <i>Ephedra</i> )              | 193 |
| Jojoba ( <i>Simmondsia</i> )               | 194 |
| Chaparral ( <i>Larrea</i> )                | 195 |
| Peyote ( <i>Lophophora</i> )               | 196 |
| Yaupon ( <i>Ilex</i> )                     | 198 |
