

CONTENTS

Preface		ix
Section I: Studies on Cells, Tissues, and Biochemistry in Vertebrate and Invertebrate Animals		1
Chapter 1	Molecular Conservation of the Telomerase Protein in Vertebrate and Invertebrate Species Using Computational Biology Analysis <i>Jane Eyre Gabriel</i>	3
Chapter 2	The Somatotropin Protein and Its Conservation in Primates by Using Comparative Analyses of Multiple Sequence Alignments <i>Jane Eyre Gabriel</i>	9
Chapter 3	Colchicine-Induced Apoptosis Daily Rhythms in Male and Female Suckling Mice <i>Norma. V. González and Claudio G. Barbeito</i>	15
Chapter 4	Thyroid Deregulation Causes Cellular Damage in Pancreatic Islets and Spleens in Rats <i>Srikanta Guria, Nisha Balmiki, Sudipta Chakrabarti and Madhusudan Das</i>	25
Chapter 5	Hypothyroidism Causes Cellular Damage in Retinal Tissue and Biceps in Rats <i>Manalee Guha, Preeta Sen, Sudakshina Ghosh, Soumee Ghosh, Anisha Chaudhuri, Pritha Gupta, Somtirtha Das, Sweta Mukherjee, Reni Ghosh, Rini Roychowdhury, Srikanta Guria and Madhusudan Das</i>	33
Chapter 6	Methimazole-induced Hypothyroidism Modulates Cytomorphology of Skin Epidermis and Collagen Synthesis in Rats <i>Srikanta Guria, Nisha Balmiki, Sudipta Chakrabarti and Madhusudan Das</i>	39
Chapter 7	Hypothyroidism Reduces Phagocytic Activity of Rat Macrophages <i>Srikanta Guria and Madhusudan Das</i>	45

Chapter 8	Phagocytosis of Yeast Particles by Peritoneal Macrophage in Normal and Hyperthyroid Rats <i>Srikanta Guria and Madhusudan Das</i>	53
Chapter 9	Pulmonary Involvement of Arsenic Poisoning and Effect of Arsenic Toxicity on Peritoneal Macrophages and Spleen Cells in Rats <i>Srikanta Guria, Swapna Chhetri, Sayantan Saha, Nikita Chetri, Gitanjali Singh, Piali Bala Saha, Bilkis Sultana Sarkar and Madhusudan Das</i>	61
Chapter 10	Study of Cytomorphology of Pancreatic Islets and Peritoneal Macrophage in Alloxan-Induced Diabetic Rats: A Mechanistic Insight <i>Srikanta Guria, Swapna Chhetri, Sayantan Saha, Gitanjali Singh, Piali Bala Saha, Nikita Chetri, Bilkis Sultana Sarkar and Madhusudan Das</i>	71
Chapter 11	Antioxidant Enzyme Activity and Lipid Peroxidation in Liver of Wistar Rats Exposed to Arabian Incense <i>Majed S. Alokail, Mohammad A. Ismael and Saud A. Alarifi</i>	81
Chapter 12	Betaine Reduces Hyperhomocysteinemia and Enhances 5-Hydroxyindoleacetic Acid in Ethanol-Induced Hyperhomocysteinemia in Rabbits <i>Masoud Alirezai, Mehdi Saeb, Katayoun Javidnia, Saeed Nazifi and Najmeh Khalighyan</i>	91
Chapter 13	Volatile Substances of Mandibular Gland Secretion of a Stingless Bee: <i>Scaptotrigona postica</i> Latreille <i>Luciana Fioretti Gracioli -Vitti, Carminda da Cruz-Landim and Fábio Camargo Abdalla</i>	105
Chapter 14	Effects of Dimethonate on the Survival and Growth of (<i>Bufo himalayanas</i>) Tadpoles in Laboratory Conditions <i>Rujas Yonle, Arpita Chaudhury, Deependra Sharma, Santosh Basnet, Somyadip Ghosh and Tashi T. Bhutia</i>	117
Chapter 15	Developmental Stages of <i>Tetranychus ludeni</i> Zacher (Acari: Tetranychidae) and <i>Brevipalpus deleoni</i> Pritchard and Baker (Acari: Tenuipalpidae) on New Host Plant <i>Indranil Roy and Goutam Kumar Saha</i>	123
Chapter 16	Antioxidant and Detoxification Activities of Gill and Digestive Gland of <i>Lamellidens marginalis</i> (Mollusca: Bivalvia) Exposed to Azadirachtin <i>Suman Mukherjee, Mitali Ray and Sajal Ray</i>	129
Chapter 17	Cypermethrin Induced Dynamics of Hemocyte Density of Indian Mollusc <i>Lamellidens marginalis</i> <i>Krishnendu Das, Mitali Ray and Sajal Ray</i>	139

Chapter 18	Histopathology of Gill, Digestive Gland and Antenna of <i>Bellamya Bengalensis</i> Exposed to Fenvalerate <i>Chiranjib Mandal, Mitali Ray and Sajal Ray</i>	151
Chapter 19	Structural Impairment of Gill and Digestive Gland of <i>Lamellidens marginalis</i> Exposed to Cypermethrin <i>Krishnendu Das, Mitali Ray and Sajal Ray</i>	159
Chapter 20	Morphological Features of Three Endemic Pill-Millipedes of the Genus <i>Arthrosphaera</i> in the Western Ghats of India <i>B. S. Kadamannaya, C. N. Ambarish and K. R. Sridhar</i>	171
Chapter 21	Impacts of Ammonia Toxicity on Some Enzymes of a Freshwater Fish at Different pH and Temperatures <i>A. Shiwanand and G. Tripathi</i>	185
Section II: Studies on Morphology and Reproduction in Vertebrate and Invertebrate Animals		201
Chapter 22	Ultrastructure and Distribution of Immunopotent Leucocytes in an Air-Breathing Fish, <i>Heteropneustes fossilis</i> (Bloch) <i>Rajarshi Ghosh and Sumit Homechaudhuri</i>	203
Chapter 23	Are Sex and Reproductive Phase-Specific Changes in Catalase and Protein Profile of a Freshwater Catfish Season-Dependent? <i>G. Tripathi and N. Bandooni</i>	213
Chapter 24	Fecundity, Sex Ratio and Gonado-Somatic Index of <i>Epinephelus chlorostigma</i> and <i>Epinephelus areolatus</i> sampled from Arabian Gulf <i>Zubair Ahmad, Hmoud Fares Alkahem and Amir A. A. Aldhahi</i>	225
Chapter 25	Laboratory Studies on the Terrestrial Marsh Slug <i>Deroceras laeve</i> (Müller) (Agriolimacidae: Mollusca) <i>M. I. Mohamed and R. F. Ali</i>	235
Chapter 26	Life Cycle and Growth Rates of the Conical Snail <i>Cochlicella acuta</i> (Müller, 1774) (Gastropoda: Cochlicellidae) <i>Mahmoud I. Mohamed and Reham F. Ali</i>	245
Section III: Studies on Genetic Aspects in Vertebrate and Invertebrate Animals		255
Chapter 27	Karyotypic Data Detect Interpopulational Variation in <i>Physalaemus olfersii</i> and the First Case of Supernumerary Chromosome in the Genus <i>Mateus Milani, Carla Santana Cassini, Shirlei M. Recco-Pimentel and Luciana Bolsoni Lourenço</i>	257
Chapter 28	Genetic Diversity and Different Ecological Conditions in <i>Salamandra infraimmaculata</i> Larvae from Various Breeding Sites <i>Tali Goldberg, Eviatar Nevo and Gad Degani</i>	265

Section IV: Reviews Related to Vertebrate and Invertebrate Animals and Humans	279
Chapter 29 Historical Epidemiological Aspects of American Visceral Leishmaniasis in Brazil	281
<i>Kárita Cláudia Freitas-Lidani, Jhulie Mirandola, Jimena Ferreira, Raphaela Mordaski and Edna Aoba Yassui Ishikawa</i>	
Chapter 30 Black-tailed Prairie Dog Affinity for Sunlight and its Potential Animal Welfare Management Implications	291
<i>Adam E. M. Eltorai and Robert W. Sussman</i>	
Chapter 31 Clinical Spectrum of Hypothyroidism in West Bengal, India	295
<i>Nisha Balmiki, Srikanta Guria, Biswabandhu Bankura, Arup Kumar Pattanayak, Tapas Kumar Das, Anirban Sinha, Sudipta Chakrabarti, Subhankar Chowdhury and Madhusudan Das</i>	
Index	303
