
TABLE OF CONTENTS

Preface	VII
Chapter 1 Understanding Plant Reproduction	1
• Plant Reproduction	1
• Flowering Plant.....	7
• Dioecy.....	24
• Stamen.....	27
• Stigma (Botany).....	32
• Vegetative Reproduction.....	36
Chapter 2 Seed and Germination Process: A Comprehensive Study	43
• Seed.....	43
• Spermatophyte.....	72
• Seed Dormancy.....	73
• Germination	78
Chapter 3 Pollination: An Overview	98
• Pollination.....	98
• Pollen.....	110
• Self-pollination.....	120
• Xenogamy	126
• Fruit Tree Pollination.....	130
• Pollinator.....	133
• Pollination Syndrome	138
• Hand-pollination	145
Chapter 4 An Introduction to Plant Breeding.....	148
• Plant Breeding.....	148
• Doubled Haploidy.....	170
• Plant Propagation.....	174
• Genetically Modified Crops.....	190

Chapter 5	Micropropagation and Plant Hormone	207
	• Micropropagation.....	207
	• Plant Tissue Culture.....	214
	• Plant Hormone.....	218
	• Brassinosteroid.....	242
