1	Brief Taxonomic History of <i>Carex</i> Sect. <i>Rhomboidales</i>	1
1.1	Introduction	1
1.2	Brief taxonomic history of <i>Carex</i> sect. <i>Rhomboidales</i> before Kükenthal (1909)	2
1.3	Brief taxonomic history of <i>Carex</i> sect. <i>Rhomboidales</i> since Kükenthal (1909)	3
1.4	Commentary on the taxonomic systems of <i>Carex</i> sect. <i>Rhomboidales</i>	5
2	Achene Micromorphology and Its Systematic Implications	9
	Summary	9
2.1	Introduction	9
2.2	Materials and methods	10
2.3	Results	11
2.4	Discussion	34
	Appendix 2-1	40
3	Perigynium Micromorphology and Its Systematic Implications	43
	Summary	43
3.1	Introduction	43
3.2	Materials and methods	44
3.3	Results	44
3.4	Discussion	65
	Appendix 3-1	67
4	Leaf Anatomy and Its Taxonomic Implications	70
	Summary	70
4.1	Introduction	70
4.2	Materials and methods	71
4.3	Results	72
4.4	Discussion	105
	Appendix 4-1	107

5 Morphological Characters and Variations	110
Summary	110
5.1 Habit	110
5.2 Rhizomes	110
5.3 Culms	110
5.4 Leaves	111
5.5 Involucral bracts	111
5.6 Inflorescence	111
5.7 Scales	113
5.8 Perigynia	114
5.9 Achenes	115
6 Taxonomic Treatment	116
Summary	116
6.1 Materials and methods	116
6.2 Taxonomic synopsis	117
6.3 Descriptions of species	121
References	225
Index to Visited Herbaria or with Specimens on Loan	230
Index to Scientific Names	232
