Preface	<i>iii</i>	II. Distribution and biostratigraphy	93
A Systematic Summary of the Phanerozoic Brachiopods of China (in Chinese)		III. Ordovician brachiopod faunas of China	93
中国显生宙腕足动物的一次系统总结 (中文代前言)		IV. Systematic palaeontology	111
Rong Jiayu		References	196
戎嘉余		Explanation of Plates O1–O18	207
Introduction	<i>1</i>	Silurian Brachiopod Genera on Type Species of China	245
Rong Jiayu, Shen Shuzhong, Zhan Renbin, Qiao Li, Huang Bing and Jin Yugan		Rong Jiayu, Huang Bing, Zhan Renbin and Fu Lipu	
I. Historical review	3	I. Introduction	248
II. General features	9	II. Silurian stratigraphy of China	249
III. Taxonomic treatment	18	III. Silurian brachiopod faunas in China	253
IV. Temporal distribution	19	IV. Systematic palaeontology	262
V. Palaeobiogeography	19	References	313
VI. Notes on macroevolution of the brachiopods of China	22	Explanation of Plates S1–S10	321
VII. Editing format	29	Devonian Brachiopod Genera on Type Species of China	343
References	31	Hou Hongfei, Chen Xiugin, Rong Jiayu, Ma Xueping, Zhang Yan, Xu Hankui, Su Yangzheng, Xian Siyuan and Zong Pu	
Appendixes	33	I. Introduction	349
Cambrian Brachiopod Genera on Type Species of China	39	II. Distribution of Devonian rocks	353
Li Guoxiang, Zhang Zhifei, Rong Jiayu and Liu Diying		III. Devonian brachiopod biostratigraphy of China	357
I. Introduction	41	IV. Devonian brachiopod biogeography of China	365
II. Cambrian stratigraphy of China	45	V. Systematic palaeontology	367
III. Cambrian brachiopod faunas of China	46	References	489
IV. Systematic palaeontology	52	Explanation of Plates D1–D28	501
References	66	Carboniferous Brachiopod Genera on Type Species of China	559
Explanation of Plates C1–C7	71	Shen Shuzhong, Qiao Li, Zhang Yan, Sun Yuanlin and Jin Yugan	
Ordovician Brachiopod Genera on Type Species of China	87	I. Introduction	562
Rong Jiayu, Zhan Renbin, Huang Bing, Xu Hankui, Fu Lipu and Li Rongyu		II. Carboniferous stratigraphy of China	565
I. Introduction	91	III. Carboniferous brachiopod successions of China	566

IV. Carboniferous brachiopod biogeography of China	575	Explanation of Plates T1–T12	987
V. Carboniferous brachiopod diversity pattern of China	576	Jurassic Brachiopod Genera on Type Species of China	1013
VI. Systematic palaeontology	577	<i>Sun Dongli, Shi Xiaoying, Zhang Yan and Qiao Li</i>	
References	614	I. Introduction	1014
Explanation of Plates C1–C13	623	II. Stratigraphical succession of Jurassic brachiopods of China	1015
Permian Brachiopod Genera on Type Species of China	651	III. Jurassic brachiopod biogeography of China	1023
<i>Shen Shuzhong, Jin Yugan, Zhang Yan and Elizabeth A. Weldon</i>		IV. Systematic palaeontology	1024
I. Introduction	657	References	1039
II. Permian stratigraphy of China	660	Explanation of Plate J	1043
III. Permian brachiopod biogeography of China	661	Cretaceous Brachiopod Genera on Type Species of China	1047
IV. Permian brachiopod successions of China	669	<i>Sun Dongli, Zhang Yan and Qiao Li</i>	
V. Permian brachiopod diversity patterns of China	676	I. Introduction	1049
VI. Systematic palaeontology	677	II. Stratigraphical succession of Cretaceous brachiopods of China	1049
References	798	III. Cretaceous brachiopod biogeography of China	1054
Explanation of Plates P1–P34	813	IV. Systematic palaeontology	1055
Triassic Brachiopod Genera on Type Species of China	883	References	1069
<i>Sun Dongli, Xu Guirong and Qiao Li</i>		Explanation of Plates K1, K2	1073
I. Introduction	886	Indexes	1079
II. Stratigraphical succession of Triassic brachiopods of China	889	Index of Genera	1080
III. Triassic brachiopod biogeography of China	896	Lithostratigraphical Index (Formations)	1089
IV. Systematic palaeontology	897		
References	981
