

Contents

Chapter I Introduction	1
Jianguo Du and Ucu Yanu Arbi	
1.1 Background of the study areas	1
1.2 The cooperation project	2
1.3 Investigation areas in North Sulawesi	3
References	5
Chapter II Geographical and Hydrological Condition	6
Aijun Pan, Deny Sutisna, Weibo Wang, Xiwu Zhou, Edi Kusmanto, M. Hasanudin, Kai Li and Mingzhang Zeng	
2.1 Geomorphology of North Sulawesi Sea	6
2.2 The Field observations and subsurface mooring system (SMS)	10
2.3 Water mass features in southern and northern Lembeh Strait	11
2.4 Current characteristics	16
2.5 Conclusions	18
References	18
Chapter III Mangrove Ecosystem	20
Guangcheng Chen, Sastro Pramudji, I Wayan Eka Dharmawan, Hadiyanto, Junhui Lin, Heshan Lin, Indra Aswandy, Erna Widyastuti and Rianta Pratiwi	
3.1 Introduction	20
3.2 Mangrove communities in Kema, Pintu Kota and Likupang	21
3.3 Benthos diversity in Kema, Teremaal, Likupang and Wori	26
3.4 Soil environments in Kema and North Minahasa mangroves	33
3.5 Conclusions	38
References	39
Chapter IV Seagrass Ecosystem	43
Jianguo Du, Udhi Eko Hernawan, Teguh Peristiwady, Shunyang Chen, Muhamad Husni Azkab, I Wayan Eka Dharmawan, Junhui Lin, Ucu Yanu Arbi, Heshan Lin, Petrus Christianus Makatipu, Xinqing Zheng and Jianji Liao	
4.1 Introduction	43
4.2 Soil environment in seagrass meadows	45

4.3	Seagrass diversity in North Sulawesi	48
4.4	Benthos diversity in seagrass meadows	54
4.5	Fish diversity in seagrass meadows	59
4.6	Food source of seagrass fishes and benthos	65
4.7	Conclusions	70
	References	71
Chapter V Coral Reef Ecosystem		75
Suharsono, Jianguo Du, Tri Aryono, Wentao Niu, Petrus Makatipu, Teguh Peristiwady, Danyun Ou, Xiaofeng Shi and Jianji Liao		
5.1	Introduction	75
5.2	Coral diversity in Lembeh Strait	77
5.3	Sponge diversity in Lembeh Strait	81
5.4	Reef fish diversity in Lembeh Strait	82
5.5	Genetic diversity of fishes and bacterium	97
5.6	Food web of coral reef ecosystem in Lembeh Strait	103
5.7	Conclusions	107
	References	107
Chapter VI Nearshore Pelagic Ecosystem		111
Muswerry, Senming Tang, Zhiyuan Ma, Ricardo Huwae, Baohong Chen, Hanif Budiprayitno, Yanguo Wang, Nurul Fitriya, Hikmah Thoha, Arief Rachman and Haifeng Gu		
6.1	Introduction	111
6.2	Water chemistry	112
6.3	Time series parameters from Eco-Buoy	117
6.4	Micro-phytoplankton distribution in Lembeh Strait	124
6.5	Net phytoplankton composition in North Sulawesi	137
6.6	Zooplankton diversity in North Sulawesi	142
6.7	Conclusions	153
	References	154
Chapter VII Summary		158
Bin Chen and Dirhamsyah		
7.1	Mangrove ecosystem	158
7.2	Coral ecosystem	159
7.3	Seagrass ecosystem	160
7.4	Nearshore pelagic ecosystem	160
7.5	Comments and suggestions	161
Appendix I Species list		163
A.I-1	Species list of true mangrove and mangrove association in North Sulawesi	163
A.I-2	Species list of mangrove benthos in North Sulawesi	164
A.I-3	Species list of seagrass in North Sulawesi	167
A.I-4	Species list of seagrass benthos in North Sulawesi	167

A.I-5	Species list of seagrass fish in North Sulawesi.....	171
A.I-6	Species list of coral in Lembah Strait.....	173
A.I-7	Species list of sponge in Lembah Strait.....	179
A.I-8	Species list of reef fish in North Sulawesi	182
A.I-9	Species list of phytoplankton and potentially harmful algae in Lembah Strait.....	190
A.I-10	Species list of zooplankton in North Sulawesi.....	201
A.I-11	Species list of transitory plankton in North Sulawesi.....	212
Appendix II	Atlas	214
A.II-1	Atlas of common mangrove in North Sulawesi	214
A.II-2	Atlas of common seagrass in Lembah Strait.....	216
A.II-3	Atlas of seagrass benthos in North Sulawesi.....	217
A.II-4	Atlas of common corals in Lembah Strait.....	219
A.II-5	Atlas of common sponges in Lembah Strait.....	236
A.II-6	Atlas of reef fishes in North Sulawesi	241
A.II-7	Atlas of phytoplankton in Lembah Strait.....	243
A.II-8	Atlas of common Zooplankton in North Sulawesi	251
Appendix III	Working photos	255
A.III-1	Conferences, discussions and others interior working photos.....	255
A.III-2	Monitoring, sampling and others outside working photos	257
