

Contents

Editorial Board	v
Foreword	vii
Preface	ix

Section I: Animal Ecology

1. Impact of Supplementary Feeds on the Growth and Excretory Metabolite Levels in <i>Clarias batrachus</i>	3
<i>Meenakshi Jindal</i>	
2. Physico-Chemical and Microbial Studies of Lake Mansar in Jammu Shiwaliks	18
<i>J.P. Sharma and V.K. Gupta</i>	
3. Entomopathogenic Nematode—A Natural Enemy of Insect Pests: Its Ecology, Mass Production, Storage and Applications	32
<i>A.K. Chaubey, Vidhi Tyagi, Zakwan Ahmed and Muhammad Arif</i>	

-
4. Taxonomic Description and Ecological Notes
on Some Prosobranchiate Molluscs from
Jammu Region, J&K State 59
Fareed Ahmad, Shakti Prashar and Anil K. Verma
 5. A Synoptic List of Gerromorpha (Hemiptera: Insecta)
from Western Ghats of Sindhudurg District,
Maharashtra 73
T.V. Sathe and T.M. Chougale
 6. Biodiversity of Wild Silkmoth Species from
Western Maharashtra, India 91
T.V. Sathe
 7. Dragonflies (Order: Odonata) of Western Ghats of
Sindhudurg District 100
T.V. Sathe, K.P. Shinde, T.M. Chougale, and P.M. Bhoje
 8. Conservation of Tasar Fauna and Flora: Perspectives
and Limitations 134
Ramakrishna Naika, B. Sannappa and S. Basavarajappa
 9. Study of Pesticides Use in Croplands Fields of
Maidan Area, Karnataka, India 146
S. Basavarajappa, B. Sannappa and R. Naika
 10. Culture of *Moina macrocopa* under Maintained and
Static Conditions 166
Satinder Kour
 11. Biochemical Mobilization in a Freshwater Crab,
Oziotelphusa senex senex Due to Aqueous Extract of
Endocrine Tissues of *Emerita asiatica* 176
*P. Indumathy, M. Sangeetha, P. Lakshmi Devi,
J. Jayanthi and M.G. Ragunathan*
 12. Combined Effects of Endocrine Tissue Extracts of
Emerita asiatica and Continuous Light on the
Organic Contents of a Freshwater Crab,
Oziotelphusa senex senex 184
*P. Lakshmi Devi, P. Indumathy, M. Sangeetha,
J. Jayanthi and M.G. Ragunathan*

13. Influence of Endocrine Tissue Aqueous Extracts of *Emerita asiatica* on the Biochemical Contents of an Eyestalk Ablated Female Freshwater Crab, *Cherax tenuimanus senex senex* 192
M. Sangeetha, P. Lakshmi Devi, P. Indumathy, J. Jayanthi and M.G. Ragunathan
14. Haematological and Biochemical Alterations in *Clarias batrachus* due to Experimental *Piscumallanus* Infection 200
Sushil Ruhela, A.K. Pandey and A.K. Khare
15. Amphibian and Reptilian Diversity in Western Himalaya: Current Status and Future Need 219
Deep N. Sahi
16. Seasonal Changes in Plasma Calcium and Inorganic Phosphate Levels in Relation to Parathyroid and Ultimobranchial Glands of the Grey Quail, *Coturnix coturnix coturnix* 230
R.R. Dhande, S.A. Suryawanshi and A.K. Pandey
17. Effect of Sublethal Heroin Administration on Serum Acid Phosphatase and Alkaline Phosphatase Activities as well as Histopathology of Liver and Kidney of *Rattus norvegicus* 259
S.R. Bansi, S.A. Suryawanshi and A.K. Pandey

Section II: Animal Reproduction

18. Seasonal Growth and Reproduction in Two Brachyuran Species Inhabiting Diverse Ecosystems 273
K.P. Sanyal, N.T. Supriya, K. Sudha and G. Anilkumar
19. Light Induced Ovarian Maturation in a Freshwater Crab, *Cherax tenuimanus senex senex*: A Biochemical Approach 290
M.G. Ragunathan and J. Jayanthi
20. Correlation of Quantitative Depletion of Protein Fractions with Anti-Ovipositional Activity due to Penultimate Oocyte Resorption in *Periplaneta americana* Induced by Cerberin Glycoside 298
Mangla Bhide, Rekha Rai, Shubhra Agarwal and Deepati Tomar

21. KD Toxicity of <i>Dhatūra alba</i> Seed Extract in Different Nymphal Instar Stages and Antiovipositional Activity Due to Oocyte Resorption in <i>Dysdercus similis</i> , Freeman (Phrrhocoridae : Heteroptera)	316
<i>Mangla Bhide, Shuhbra Agarwal, Rekha Rai and Deepti Tomar</i>	
22. Studies on the Lifecycle of <i>Moina micrura</i> Kurz, 1874 (Crustacea: Branchiopoda: Cladocera)	328
<i>K.K. Subhash Babu and S. Bijoy Nandan</i>	
23. Life Cycle Studies and Growth Dynamics of <i>Moina macrocopa</i>	341
<i>Satinder Kour</i>	
24. Recent Advances in Fish Pheromone Research: An Overview	380
<i>A.K. Pandey and Saurabh Pandey</i>	
25. Study on Radioprotective Effect of Melatonin with Reference to Reproductive Behaviour of Mice	401
<i>A.L. Bhatia, Dhankesh Meena and Shikha Patni</i>	
26. Role of Pheromones and other Semiochemicals in Mammalian Reproduction and Behaviour	425
<i>S.D. Pandey</i>	
27. Effect of Anosmia in Perception of the Male-Originating Primer Pheromones Involved in Oestrus Induction (The Whitten Effect) in <i>Mus booduga</i> Gray	454
<i>Himanshu Dixit and S.D. Pandey</i>	
<i>Previous Volumes</i>	463
<i>Index</i>	477
