

Instructors *Electrify* your classroom with these technology products

Visual Resource Library

The Botany Visual Resource Library is a CD-ROM containing 465 line art drawings and 604 photos, many of which are excellent micrographs. This FREE software makes it simple for you to create custom slide shows and multimedia presentations. Images can easily be imported into any classroom presentation program.

Online Learning Center Web Site

This book-specific web site offers dynamic tools to assist instructors in the classroom and help students get better grades. **Instructors**—go to www.mhhe.com/botany and click on this book's cover to find additional teaching aids such as test questions, an online Instructor's Manual, chapter outlines and overviews, learning goals, discussion questions, key terms and concepts, and chapter web links. **Students**—this web site accompanies your textbook and offers dynamic tools to assist you in studying. Go to www.mhhe.com/botany and click on this book's cover to find additional study aids including an electronic study guide, hyperlinks, help with writing papers, key-term flash cards, practice quizzing, and much more!

New "Global Issues in Botany" Map for both student and instructors

This interactive world map examines uses of plants around the world. Click on the map pins to read fascinating case studies involving plants around the world. This feature is updated quarterly to provide you with the most up-to-date information.

PageOut

Create a custom course Website with **PageOut**,
free with every McGraw-Hill textbook.

To learn more, contact your McGraw-Hill publisher's representative
or visit www.mhhe.com/solutions.

PageOut

Proven. Reliable. Class-tested.

More than 10,000 professors have chosen PageOut—McGraw-Hill's unique course web site development program—to create their course web sites. And for good reason: PageOut offers powerful features, yet it is incredibly easy to use, and it's FREE with every new McGraw-Hill textbook!

For ordering information contact your local bookstore or call
McGraw-Hill's Direct Mail Division at 1-800-2MCGRAW
