

BRITAIN'S BIRDS

Field Guides | Natural History

An identification guide to the birds of Britain and Ireland

Rob Hume, Robert Still, Andy Swash, Hugh Harrop and David Tipling

Britain's Birds will be enjoyed, valued and constantly referred to by all birdwatchers—whether beginner, experienced or professional. This is the most comprehensive, up-to-date and practical bird book of modern times, featuring an unrivalled selection of photographs that show all the plumages you are likely to see. Focusing on identification, and containing maps, facts and figures on numbers and distributions, this breakthrough publication was devised by a team of lifelong birdwatchers, all with many years' experience of showing people birds and producing user-friendly field guides.
