

Nature In Your Pocket™

Birds of New England is a field guide to 300 of the most common and sought-after species in the region. Anatomically correct illustrations and detailed descriptions about each bird's prominent physical attributes and natural habitat make it easy to identify birds in your backyard, favorite parks, and wildlife areas. Informative and beautiful to peruse, this is the essential resource when you're out in the field.

TODD TELANDER is a natural science freelance illustrator, a wildlife artist, and the author and illustrator of many FalconGuides, including *Mushrooms* and the *Scats and Tracks* series. He lives with his wife, Kirsten, and two sons, Miles and Oliver.
