

Nature In Your Pocket™

Falcon Pocket Guide: Birds of the Rocky Mountains is a field guide to more than 300 of the most common and sought-after bird species in the region. Anatomically correct illustrations and detailed descriptions about each bird's prominent physical attributes and natural habitat make it easy to identify birds in your backyard, favorite parks, and wildlife areas. Informative and beautiful to peruse, this is the essential resource when you're out in the field.

TODD TELANDER is a freelance natural science illustrator, a wildlife artist, and the author and illustrator of many FalconGuides, including *Mushrooms* and the *Scats and Tracks* series. He lives with his wife, Kirsten, and two sons, Miles and Oliver.
