

connect[®]

Connect for Hartwell, *Genetics: From Genes to Genomes*, Sixth Edition now contains a broader range of content for each chapter, so instructors can create in-depth chapter assignments to help students contextualize what they've learned through application. Connect helps students to better understand course material and think critically.

LEARNSMART PREP[®]

Fueled by McGraw-Hill LearnSmart[®]—the most widely used and intelligent adaptive learning resource—LearnSmart Prep[®] is designed to get students ready for an upcoming course by quickly and effectively addressing prerequisite knowledge gaps that may cause problems down the road.

SMARTBOOK[®]

SmartBook[®] is the first and only adaptive reading experience designed to create personalized learning for students. SmartBook highlights the most impactful concepts a student needs to learn at that moment in time.
