

Biological Anthropology: Concepts and Connections, 3rd edition, provides students with a solid background in the general processes that drive evolution before delving into human evolution and human diversity in particular. This integrative anthropological background knowledge helps students understand how to place data and insights from human biology, human evolution, human behavior, and primate studies into a dialogue that makes sense and offers answers to what it means to be human. This engaging textbook is written by renowned primatologist and biological anthropologist, Agustín Fuentes, who has spent over two and a half decades researching both the big questions and the small details of what makes humans and our closest relatives tick.

HIGHLIGHTS OF THE THIRD EDITION

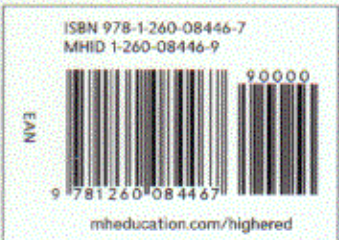

- Written in an engaging and accessible style, geared toward the patterns and processes of contemporary student learning.
 - “Connections” features throughout the text that link anthropological and evolutionary concepts, data, and questions to issues in students’ lives.
 - Updated discussion of genetics, genomics, and epigenetics, bringing the students into the contemporary understandings of our DNA and its contexts.
 - Updated data and discussion of the human fossil record. The latest fossil finds, evolutionary analyses, and the current controversies are laid out in a manner that brings them to life for the students.
 - Updated treatments of human biology, diversity, and race, with an added discussion of ancestry testing.
 - Contemporary evolutionary theory is clearly introduced and then interwoven throughout the text, making for a sincerely evolutionary anthropological overview of the human experience.
 - “What We Know/Questions That Remain” sections at the end of each chapter outline some key established facts about the topic of the chapter as well as some tantalizing questions that remain unanswered, giving students a full picture of the field of biological anthropology and piquing their interest in areas of current research.
- connect** presents students with the most innovative online learning environment by combining the SmartBook™ personalized reading experience, engaging assignments, and other powerful resources to ensure student success.

The screenshot shows the connect platform interface. At the top, there's a navigation bar with 'connect' logo and links for 'Home', 'My Course', 'My Progress', 'My Tools', 'My Account', and 'Sign Out'. The main content area features the text 'Get Connected. Get Results.' with a subtext: 'McGraw-Hill Connect is a digital learning and assessment ecosystem that helps students achieve their goals and improve their performance on a variety of critical outcomes.' Below this is a 'Student Pass Rate' chart showing a bar graph with 10 bars, 8 of which are green and 2 are red. A red button labeled 'Get Connected' is visible.

The McGraw Hill Education logo is shown next to a QR code. Below the QR code is the alphanumeric code 'FMG08AACW95623'.
