

Perspectives in Animal Ecology and Reproduction

The present volume of the series, "Perspectives in Animal Ecology and Reproduction Vol. 10" with 23 chapters has been compiled, and the important contributions include:

- Bacterial Biofilms: Impact on Aquatic Ecosystems
- Effects of Edaphic Factors on Population Dynamics of Soil and Plant Parasitic Nematodes
- Arthropod Natural Enemy- Pesticide Interaction
- Synergistic Effect of NPV, *Azadirachtin* and Titanium Dioxide (Nanoparticle) on the Larvicidal and Pupicidal Effect of *Helicoverpa armigera*
- Breeding, Larval Biology and Seed Production of Indian River Prawn, *Macrobrachium malcolmsonii*
- Feeding Acceptability of Non-Crop Plants by the Invasive Giant African Snail, *Achatina fulica*
- Sublethal Waterborne Nickel Toxicity in an Indian Major Carp *Cirrhinus mrigala*
- An Overview on the Caspian White Fish: Biology, Ecology and Reproduction
- Herb-Feed Supplements for Health and Disease of Fish
- Effect of Starvation and Refeeding on Certain Biochemical and Haematological Parameters of the Climbing Perch, *Anabas testudineus*
- Metallothioneins of Fishes as a Biomarker of Heavy Metal Pollution
- Forest Game and Habitat Disturbances in Southwest Ghana
- Bushmeat Production, Hunting and Utilisation of Forest Game in Southwest Ghana
- The Effects of Vitamin E on Genistein-Induced Oxidative Damage on TM3 Leydig Cells
- Testicular Development of Male Offsprings Exposed to Acrylamide and Ascorbic Acid During Gestation and Lactation
- Mating Behavior of Striped Hyena (*Hyaena hyaena*) in Captivity
- *Tryparygium wilfordii* : A possible Male Birth Control Pill? An Assessment study in Langur Monkey

The book like previous volumes shall prove very valuable and an important research compendium that shall stimulate interest and satisfy the need of the researchers in the field of animal ecology, reproduction and allied disciplines.

Dr. Vijay Kumar Gupta, Ph.D., FLS, London (born 1953-) Formerly Chief Scientist, CSIR- Indian Institute of Integrative Medicine, Jammu, India. He did his Ph.D. (1979) in Zoology from University of Jammu, Jammu-India. His research capabilities are substantiated by his excellent work on histopathology, ecology and reproductive biology of fishes, turtles, birds and mammals.

Dr. Anil K. Verma, Ph.D., M.N.A.Sc., FLS, London (born 1963-) Prof. & Head, Department of Zoology, Govt. (P.G.) Degree College Rajouri, J&K State, did his M.Sc. in Zoology (1986) from University of Jammu, Jammu. He has undergone his M.Phil. (1988) and awarded first rank and Ph.D.(1993) in the field of animal reproduction at the same University.

Dr. Gurdarshan Singh (born 1962), working as Principal Scientist in the PK-PD-Toxicology Division of Indian Institute of Integrative Medicine (CSIR), Jammu. He did his M.Sc. (1987), M.Phil. (1989) and Ph.D. (1993) in Zoology from University of Jammu, Jammu-India.
