

## CONTENTS

	Page
1 Introduction .....	1
1.1 Historical background .....	1
2 Problems in understanding and assessing the status of shark populations .....	3
3 Biological characteristics and reproductive potential of sharks .....	5
4 The status of elasmobranch species .....	7
4.1 Explanation of the status categories .....	7
4.2 Species accounts by family .....	8
4.2.1 Frilled shark, Family Chlamydoselachidae .....	8
4.2.2 Cow sharks, Family Hexanchidae .....	8
4.2.3 Bramble sharks, Family Echinorhinidae .....	10
4.2.4 Dogfish sharks, Family Squalidae .....	10
4.2.5 Rough sharks, Family Oxyodontidae .....	16
4.2.6 Sawsharks, Family Pristiophoridae .....	16
4.2.7 Angel sharks, Family Squatinidae .....	17
4.2.8 Bullhead sharks, Family Heterodontidae .....	18
4.2.9 Collared carpetsharks, Family Parascylliidae .....	18
4.2.10 Blind sharks, Family Brachaeluridae .....	19
4.2.11 Wobbegongs, Family Orectolobidae .....	19
4.2.12 Bamboo sharks, Family Hemiscylliidae .....	19
4.2.13 Zebra sharks, Family Stegostomatidae .....	20
4.2.14 Nurse sharks, Family Ginglymostomatidae .....	20
4.2.15 Whale shark, Family Rhiniodontidae .....	20
4.2.16 Sand tiger sharks, Family Odontaspidae .....	21
4.2.17 Goblin sharks, Family Mitsukurinidae .....	22
4.2.18 Crocodile sharks, Family Pseudocarchariidae .....	22
4.2.19 Megamouth sharks, Family Megachasmidae .....	22
4.2.20 Thresher sharks, Family Alopiidae .....	22
4.2.21 Basking sharks, Family Cetorhinidae .....	25
4.2.22 Mackerel sharks, Family Lamnidae .....	26
4.2.23 Catsharks, Family Scyliorhinidae .....	30
4.2.24 Finback catsharks, Family Proscylliidae .....	32
4.2.25 False catsharks, Family Pseudotriakidae .....	32
4.2.26 Barbeled houndsharks, Family Leptochariidae .....	33
4.2.27 Smooth-hounds or houndsharks, Family Triakidae .....	33
4.2.28 Weasel sharks, Family Hemigaleidae .....	39
4.2.29 Requiem sharks, Family Carcharhinidae .....	39
4.2.30 Hammerhead sharks, Family Sphyrnidae .....	56
5 Conclusions and recommendations .....	60
6 References .....	61
7 Species Index .....	70
