Preface v

PART I THE STUDY OF HUMANKIND 2

Introduction 4

1. The Aims of Anthropology 6

Development of Anthropology 9
 Anthropology and the Other Sciences 11
 The Discipline of Anthropology 11
Physical Anthropology 12, Cultural Anthropology 12

ORIGINAL STUDY

A Voyage to Greenland 17

Anthropology and Science 20
Difficulties of the Scientific Approach 22, Anthropology and Contemporary Life 25
 Chapter Summary 26
 Suggested Readings 27

2. Biology and Evolution 28

Heredity 30
The Transmission of Genes 31, Patterns of Inheritance 34
 Population Genetics 36
The Stability of the Population 36, Factors for Change 37

□ Charles R. Darwin (1809–1882) 40

Adaptation 42

ORIGINAL STUDY

Biological Flaws in Human Nature 43

The Case of Sickle-Cell Anemia 45, Evolution of Populations 47, Speciation 48, Isolating Mechanisms 48

Chapter Summary 49
 Suggested Readings 51

3. Monkeys, Apes, and Humans: The Modern Primates 52

The Classification System 54

The Primate Order 55

Primate Characteristics 56, Primate Sense Organs 56, The Primate Brain 58, The Primate Skeleton 60, Reproduction and Care of Young 62, Establishing Evolutionary Relationships 63

Modern Primates 64

Prosimians 64, Anthropoids 66

The Social Behavior of Primates 68

The Group 69, Individual Interaction 70, Play 71, Communication 72, Home Ranges 73, Parental Behavior 73, Learning 74

ORIGINAL STUDY

Intelligence in a Captive Gorilla 75

Aggression, 78 Primate Behavior and Human Evolution 80

Chapter Summary 80

Suggested Readings 82

PART II THE BIOLOGICAL EVOLUTION OF HUMANITY 84

Introduction 86

4. Fossil Primates 88

Retrieving the Fossil Past 90

The Nature of Fossils 90

Primate Fossils 93

Mammalian Evolution and Primate Origins 93

Rise of the Primates 95

Paleocene Primates 97, *Eocene Primates* 98, *Oligocene Monkeys and Apes* 98, *Miocene Apes* 101, *Ramapithecines* 102

ORIGINAL STUDY

The Teeth and Jaws of *Ramapithecus* 103

Ramapithecines and Human Origins 105
Early Apes and Human Evolution 107
Chapter Summary 108
Suggested Readings 109

5. The Earliest Hominids 110

Effects of Environment and Diet 112
Humans Stand on Their Own Two Feet 113, *Brain Reorganization and Expansion* 114, *The Earliest Signs of Culture: Tools* 115, *Cooperative Hunting* 116
Fossil Evidence 117
Australopithecus 117

- **Louis B. Leakey** (1903–1972)
Mary Leakey (1913–) 124

Relation between Gracile and Robust Australopithecus 24, *Early Representatives of the Genus Homo* 126

ORIGINAL STUDY

Sterkfontein: Crucial New Light on Hominid Evolution
(A Letter from Phillip V. Tobias) 127

Relations between Early Homo and Australopithecus 130, *Africa, Asia, and the Emergence of Humankind* 131
Chapter Summary 133
Suggested Readings 135

6. Evolution of the Genus Homo 136

Homo Erectus 138
Homo Erectus from Java 139, *Homo Erectus from China* 140, *Physical Characteristics of Homo Erectus* 140, *Homo Erectus in Africa and Europe* 141, *Early Hominid Culture* 141

The Appearance of *Homo Sapiens* 144
Archaic Homo Sapiens 144

ORIGINAL STUDY

Neanderthals of the Middle East 146

The "Neanderthal Stage" of Human Evolution 150

Upper Paleolithic Peoples: The First Modern Humans 152

Where Did Upper Paleolithic People Come From? 153

Chapter Summary 155
Suggested Readings 157

7. Human Diversity 158

Variation and Evolution 160

Physical Variability 160

The Meaning of Race 161

Race as a Biological Concept 164, *The Concept of Human Races* 164

Social Significance of Race: Racism 169

Race and Behavior 170, *Race and Intelligence* 170

ORIGINAL STUDY

The Hereditarian Fallacy 172

Intelligence: What Is It? 173

Continuing Human Biological Evolution 174

Chapter Summary 176

Suggested Readings 178

PART III THE CULTURAL EVOLUTION OF HUMANITY 180

Introduction 182

8. Methods of Archeology 184

Methods of Data Recovery 186

Site Location 186, *Excavating a Site* 189

ORIGINAL STUDY

Searching for Prehistoric Cave Dwellers 189

State of Preservation of Archeological Evidence 194, Sorting out the Evidence 195	Earliest Full-fledged Farming Settlements 245
Dating the Past 197	
Methods of Relative Dating 198, Methods of Chronometric Dating 198, Chance and the Study of the Past 201	
Chapter Summary 201	
Suggested Readings 202	
PORTFOLIO 1 The Ju/Wasi of Bushmanland 204	
9. Early Human Culture 206	
Lower Paleolithic Tools 208	
Olduvai Gorge 208, Oldowan Tool Tradition 209, Acheulean Tool Tradition 210, Use of Fire 213, Other Aspects of Homo Erectus' Culture 214, Levalloisian Technique 217	
Middle Paleolithic 217	
Mousterian Tradition 217	
ORIGINAL STUDY	
Symbolic Artifacts of the Mousterian 220	
Upper Paleolithic 222	
Upper Paleolithic Cultures of Europe 226, Upper Paleolithic Cultures of Africa, Asia, and Elsewhere 226	
The Mesolithic Era 228	
Mesolithic Tools and Weapons 229, Major Mesolithic Cultures 229	
Major Paleolithic and Mesolithic Trends 231	
Chapter Summary 232	
Suggested Readings 234	
10. Cultivation and Domestication 236	
The Mesolithic Roots of Farming and Pastoralism 238	
The Neolithic Revolution 238	
Evidence of Early Plant Domestication 239, Evidence of Early Animal Domestication 239, Beginnings of Domestication 240, Why Humans Became Food Producers 241	
Culture of Neolithic Settlements 245	
	ORIGINAL STUDY
	Jarmo: An Early Village Farming Community 245
	The Spread of Food Production 250, Neolithic Technology 250, Social Structure 252
	The Neolithic and Human Biology 252
	The Neolithic in the New World 253
	The Neolithic and Cultural Diversity 255
	Chapter Summary 255
	Suggested Readings 257
	11. The Rise of Cities 258
	What Civilization Means 260
	The Emergence of Civilization 260
	ORIGINAL STUDY
	Tikal: A Case Study 261
	Cities and Cultural Change 265
	Agricultural Innovation 265, Diversification of Labor 266, Central Government 267, Social Stratification 271
	The Making of Civilization 273
	Theories of Civilization's Emergence 274
	Civilization and Stress 276
	Chapter Summary 277
	Suggested Readings 279
	PART IV CULTURE AND SURVIVAL: COMMUNICATING, RAISING CHILDREN, AND STAYING ALIVE 280
	Introduction 282
	12. The Nature of Culture 286
	The Concept of Culture 288
	☐ A. R. Radcliffe-Brown (1881–1955) 288
	Characteristics of Culture 289

Culture Is Shared 289, *Culture Is Learned* 292, *Culture Is Based on Symbols* 293

☐ **Leslie A. White** (1900–1975) 294

Culture Is Integrated 294
Studying Culture in the Field 297

☐ **Bronislaw Malinowski** (1884–1942) 298

ORIGINAL STUDY

The Anthropologist in the Field 299

Culture and Process 302
Cultural Adaptation 304, *Functions of Culture* 304, *Culture and Change* 304, *Culture, Society, and the Individual* 306, *Evaluation of Culture* 307
Chapter Summary 308
Suggested Readings 310

13. Language and Communication 312

The Nature of Language 314
The Sound and Shape of Language 315, *Paralanguage* 318, *Kinesics* 320, *Linguistic Change* 322
Language in Its Cultural Setting 327
Language and Thought 328, *Taboo Words* 331, *Social Dialects* 332

ORIGINAL STUDY

The Logic of Nonstandard English 333

Theoretical Linguistics 338
Transformational-Generative Grammar 338
The Origins of Language 339
Chapter Summary 343
Suggested Readings 344

14. Culture and Personality 346

The Self and Its Behavioral Environment 348
The Self 349, *The Behavioral Environment* 351
Personality 353
The Development of Personality 353

☐ **Margaret Mead** (1901–1978) 354

ORIGINAL STUDY

Child-Rearing Practices among Migratory Workers 359

Group Personality 363

☐ **Ruth Fullerton Benedict** (1887–1947) 364

Modal Personality 365, *National Character* 366

Abnormal Personality 370

Normal and Abnormal Behavior 370

Current Trends in Psychological Anthropology 372

Chapter Summary 373

Suggested Readings 375

15. Patterns of Subsistence 376

Adaptation 378

The Unit of Adaptation 380, *Evolutionary Adaptation* 381, *Culture Areas* 382

☐ **Julian H. Steward** (1902–1972) 385

Culture Core 386

The Hunting-Gathering Life 387

Characteristics of the Hunting-Gathering Life 392

ORIGINAL STUDY

The Changing Composition of Camps among the !Kung 393

The Impact of Hunting and Gathering on Human Society 395

Food-Producing Society 398

Horticulture: The Gururumba 400, *Pastoralism: The Bakhtiari* 401, *Urban Life among Nonindustrial Peoples* 403, *Aztec City Life* 404

Preindustrial Cities in the Modern World 407

Chapter Summary 407

Suggested Readings 409

16. Economic Systems	410	<i>Divorce</i> 459, <i>The Extended Family</i> 460
Economic Anthropology	412	Problems of Family Organization 465
Resources	413	Chapter Summary 468
<i>Patterns of Labor</i> 413, <i>Control of Land</i>		Suggested Readings 470
417, <i>Capital</i> 418, <i>Technology</i> 419		
Production—The Yearly Economic		
Cycle 420		
Distribution and Exchange 421		
<i>Reciprocity</i> 421, <i>The Kula Ring</i> 425, <i>Re-</i>		
<i>distribution</i> 426, <i>Distribution of Wealth</i> 427		
PORTFOLIO 2 The Quiché Maya of		
Chichicastenango	428	
ORIGINAL STUDY		
The Potlatch	430	
<i>Market Exchange</i> 434		
Chapter Summary 436		
Suggested Readings 437		
PART V THE FORMATION OF GROUPS:		
SOLVING THE PROBLEM OF		
COOPERATION	438	
Introduction	440	
17. Marriage and the Family	442	
Functions of the Family 444		
<i>Nurturance of Children</i> 444, <i>Control of Sex-</i>		
<i>ual Relations</i> 446		
☐ Claude Lévi-Strauss (1908–) 450		
Form of the Family 450		
<i>The Nuclear Family</i> 452		
Marriage		
<i>Monogamy, Polygamy, and Group Marriage</i>		
453, <i>The Levirate and the Sororate</i>		
454, <i>Serial Marriage</i> 454, <i>Choice of Mate</i>		
454		
ORIGINAL STUDY		
The Metaphysic of Youth, Beauty, and		
Romantic Love 455		
18. Kinship and Descent	472	
☐ Lewis Henry Morgan (1818–1881) 474		
Descent Groups 475		
<i>Unilineal Descent</i> 476		
ORIGINAL STUDY		
Matrilineal Descent and Residence Choice in		
Truk 479		
<i>Double Descent</i> 481, <i>Ambilineal Descent</i>		
481		
Forms and Functions of Descent Groups 484		
<i>Lineage</i> 484, <i>Clan</i> 485, <i>Phratries and Moi-</i>		
<i>eties</i> 487, <i>Bilateral Kinship and the Kindred</i>		
487, <i>Evolution of the Descent Group</i> 489		
Kinship Terminology and Kinship		
Groups 490		
<i>Eskimo System</i> 491, <i>Hawaiian System</i> 491,		
<i>Iroquois System</i> 492, <i>Omaha System</i> 492,		
<i>Crow System</i> 493, <i>Descriptive System</i> 494		
Chapter Summary 494		
Suggested Readings 496		
19. Age, Common Interest, and Stratification	498	
Age Grouping 500		
<i>Institutions of Age Grouping</i> 501, <i>Age</i>		
<i>Groupings in African Societies</i> 503		
ORIGINAL STUDY		
Changing Age-Group Organization among the Tiriki		
of Kenya 504		
Common-Interest Associations 508		
<i>Kinds of Common-Interest Associations</i>		
509, <i>Associations in the Urban World</i> 511		
Social Stratification 513		
<i>Class and Caste</i> 513, <i>Mobility</i> 518, <i>Devel-</i>		
<i>opment of Stratification</i> 519		
Chapter Summary 520		
Suggested Readings 521		

PART VI SOCIAL INTEGRATION: SOLVING THE PROBLEMS OF SOCIAL LIVING 524

Introduction 526

20. Political Organization and Social Control 528

Kinds of Political Systems 530
Decentralized Political Systems 530,
Centralized Political Systems 536
 Political Organization and Social Control 540

ORIGINAL STUDY

A New Weapon Stirs Up Old Ghosts 540

Internalized Controls 544, *Externalized Controls* 544

Law in Non-Western Societies 333
Definition of Law 547, *Functions of Law* 549, *Crime* 550

Political Organization and External Affairs 552

War 552

Political Systems and the Question of Legitimacy 554

Religion and Politics 556

Chapter Summary 557

Suggested Readings 560

21. Religion and Magic 562

The Anthropological Approach to Religion 565

The Practice of Religion 567
Supernatural Beings and Powers 567,
Religious Practitioners 570

ORIGINAL STUDY

An Ona Shaman Performs 574

Rituals and Ceremonies 576

Religion, Magic, and Witchcraft 579

Witchcraft 580, *The Functions of Witchcraft* 581

The Functions of Religion 583
 Religion and Culture Change 585
Revitalization Movements 585
 Chapter Summary 587
 Suggested Readings 589

22. The Arts 590

ORIGINAL STUDY

Eskimo Realities: The Act of Artistic Creation 594

The Anthropological Study of Art 595

Verbal Arts 596

Myth 596, *Legend* 598, *Tale* 600, *Other Verbal Arts* 601

The Art of Music 602

Elements of Music 602, *Functions of Music* 603

The Art of Sculpture 606

Art and Craft 606, *West African Sculpture* 607

Chapter Summary 610

Suggested Readings 611

PART VII CHANGE AND THE FUTURE: SOLVING THE PROBLEM OF ADJUSTING TO CHANGED CONDITIONS 612

Introduction 614

23. Culture Change 616

Mechanisms of Change 619

Invention 619

PORTFOLIO 3 The Vanishing Cowboy 620

Diffusion 623

ORIGINAL STUDY

Persistence and Change in a Maya Community 624

Cultural Loss 628, *Acculturation* 628

Forcible Change 630

Colonialism and Conquest 630

□ **Franz Boaz (1858–1942)** 631

Rebellion and Revolution 632

Modernization 636

The Modern Pueblo Indians 638

Sko!t Lapps and the Snowmobile Revolution
641, *Modernization and the Third World*
642, *Modernization: Must It Always Be*
Painful? 643

Chapter Summary 644

Suggested Readings 646

24. The Future of Humanity 648

The Cultural Future of Humanity 650

One-World Culture 651, *The Rejection of*
Modernity 653

ORIGINAL STUDY

Resistance to Modernization among the
Kwaio 653

Cultural Pluralism 655, *Global Apartheid*
659

Problems of Structural Violence 661

Population Growth 661, *Food Shortage*

662, *Pollution* 667, *Birth Control* 670,
The Culture of Discontent 671

Chapter Summary 672

Suggested Readings 674

25. The Future of Anthropology 676

The Disappearing Past 678

The Emergence of Modern Societies 682

Studies of North American Culture 683

Anthropology and Jobs 686, *Questions of*
Ethics 688

ORIGINAL STUDY

Anthropologists at Work 691

Chapter Summary 696

Suggested Readings 697

Bibliography 698

Credits 714

Index 717
