

CONTENTS

Preface

ONE INTRODUCTION TO MICROBIOLOGY

- | | | |
|---|---|----|
| 1 | The Scope of Microbiology | 3 |
| 2 | The Evolution of Microbiology | 20 |
| 3 | Characterization and Classification of Microorganisms | 40 |
| 4 | The Microscopic Observations of Microorganisms | 53 |

TWO CHARACTERISTICS OF BACTERIA

- | | | |
|----|--|-----|
| 5 | The Morphology and Fine Structure of Bacteria | 77 |
| 6 | The Cultivation of Bacteria | 103 |
| 7 | Reproduction and Growth | 118 |
| 8 | Pure Cultures and Cultural Characteristics | 135 |
| 9 | Enzymes and Their Regulation | 149 |
| 10 | Bacterial Metabolism: Energy Production | 169 |
| 11 | Bacterial Metabolism: Energy Utilization and Biosynthesis | 190 |
| 12 | Modifications, Mutations, and Genetics | 210 |
| 13 | The World of Bacteria I: Kingdom Procaryotae | 242 |
| 14 | The World of Bacteria II: Kingdom Procaryotae (Continued) Rickettsias and Chlamydias | 266 |

THREE MICROORGANISMS OTHER THAN BACTERIA

- | | | |
|----|--|-----|
| 15 | Fungi: The Molds | 285 |
| 16 | Fungi: The Yeasts | 312 |
| 17 | Algae | 332 |
| 18 | Protozoa | 355 |
| 19 | Viruses: General Characteristics | 377 |
| 20 | Viruses: Bacteriophages and Phages of Other Protists | 397 |

FOUR CONTROL OF MICROORGANISMS

- | | | |
|----|---|-----|
| 21 | Fundamentals of Control | 411 |
| 22 | Control by Physical Agents | 421 |
| 23 | Control by Chemical Agents | 441 |
| 24 | Antibiotics and Other Chemotherapeutic Agents | 461 |

FIVE MICROORGANISMS AND DISEASE

25	Host-Microbe Interactions	497
26	Resistance and Immunity	515
27	The Immune Response in Theory and Practice	533
28	Human Airborne Infections	560
29	Food- and Waterborne Human Infections	598
30	Human Contact Diseases	628
31	Infectious Diseases of Animals	656
32	Infectious Diseases of Plants	677

SIX ENVIRONMENTAL AND INDUSTRIAL MICROBIOLOGY

33	Fundamentals of Microbial Ecology	701
34	Soil Microbiology	724
35	Microbiology of Air	747
36	Aquatic Microbiology	761
37	Microbiology of Domestic Water and Sewage	781
38	Microbiology of Foods	807
39	Microbiology of Milk and Milk Products	824
40	Industrial Microbiology	845

Appendix A	Classification of Microorganisms	869
-------------------	---	-----

Appendix B	Characteristics of Microorganisms	899
-------------------	--	-----

Appendix C		920
-------------------	--	-----

Indexes	936
----------------	-----

Name Index
Organism Index
Subject Index
