Part I

Introduction to Abnormal Psychology

- 1 **Basic Concepts and Traditions** 2
 - Key Terms and Issues 4
 - Definition of Terms
 - Continuity or Discontinuity?
 - Individual Differences and Maladaptive Behavior
 - Values and Social Labeling
 - Views of Maladaptive Behavior Through History 8
 - The Supernatural Tradition
 - The Biological Tradition
 - The Psychological Tradition
 - The Development of Contemporary Models
 - Summary 21
- 2 **Dimensions and Types of Maladaptive Behavior** 24
 - Assessment of Maladaptive Behavior 25
 - Assessment Methods
 - Dimensions of Maladaptive Behavior
 - A Case Study of Assessment
 - Diagnostic Classification of Maladaptive Behavior 35
 - The DSM-III Diagnostic System
 - Useful Aspects of Diagnostic Classification
 - Problems of Diagnostic Classification
 - Use of Diagnostic Classification in This Book
 - Summary 49
- 3 **Causes of Maladaptive Behavior** 51
 - Biological Factors 51
 - Brain Damage and Degeneration
 - Neurophysiological Dysfunction
 - Biochemical Disorders
 - Genetic Factors
 - Congenital Characteristics
 - Psychological Factors 66
 - Social Learning
 - Cognitive Factors
 - Stress
 - Early Experience
 - Summary 84

4	Contemporary Approaches and Treatments	86
	Contemporary Biological Approaches	87
	Biological Assessment	Biological Treatments
	Contemporary Psychological Approaches	96
	The Psychodynamic Approach	The Social Learning Approach
	Humanistic Approaches	
	Medical Models of Maladaptive Behavior	122
	Which "Medical Model"? Criticisms	
	The Point of View of This Book	125
	Summary	125

Part II

Stress, Anxiety, and Depression

5	Stress Reactions	128
	Characteristic Reactions to Stress	129
	Factors Influencing Reactions to Stress	131
	Acute Stress	133
	Natural Disasters	Rape and Other Violent Crimes
	Loss of Spouse	
	Chronic Stress	137
	Occupational Stress	Families and Stress
	Urban Living	Crowding and
	The Special Stress of War	142
	Effects of War Stress on Combatants	Effects of War Stress on
	Civilians	
	Treatment and Prevention of Stress Reactions	147
	Relaxation Training as an Antidote to Stress	Stress Inoculation
	Stress Reactions and Diagnostic Categories of Maladaptive	
	Behavior	151
	Summary	152
6	Psychophysiological and Related Disorders	153
	Common Psychophysiological Disorders	156
	Essential Hypertension	Ulcers
	Asthma	Headache
	Theories and Causes of Psychophysiological Disorders	167
	Biological Causes	Psychological Causes
	Major Treatment Methods	174
	Relaxation Training	Biofeedback
	Hypnosis and Autogenic	Training
	Other Health-Related Disorders	178
	Eating Disorders	A Major Sleep Disorder: Insomnia
	Summary	186

7	Neurosis: Anxiety Disorders	188
	Neurosis and Anxiety	188
	Anxiety Disorders	190
	The Nature of Anxiety	Key Aspects of Anxiety
	Incidence and Causes of Maladaptive Anxiety	
	Subtypes of Anxiety Disorders	198
	Generalized Anxiety Disorders	Panic Disorders
	Phobic Disorders	Obsessive-Compulsive Disorders
	Treatment of Anxiety Disorders	210
	Summary	216
8	Neurosis: Somatoform and Dissociative Disorders	217
	Somatoform Disorders	218
	Incidence and Causes	Subtypes of Somatoform Disorders
	Treatment of Somatoform Disorders	
	Dissociative Disorders	228
	Amnesia and Fugue	Multiple Personality
	Depersonalization and Derealization	Treatment of Dissociative Disorders
	Summary	233
9	Affective Disorders	234
	Depressive Disorders	235
	Relationship Between Anxiety and Depression	Agitated and Retarded Depression
	Incidence of Depressive Disorders	
	Causes of Depressive Disorders	
	Bipolar Affective Disorders	247
	Incidence of Bipolar Disorders	Causes of Bipolar Disorders
	Treatment of Affective Disorders	252
	Biological Treatments	Psychological Treatments
	Suicide	257
	Incidence and Correlates of Suicide	Prediction and Prevention of Suicide
	Summary	260

Part III

Severe and Disabling Behavior Disorders

10	Schizophrenia and Related Disorders: Description	262
	Dimensions of Schizophrenic Disorders	263
	Cognitive Dimension	Affective Dimension
	Motivational Dimension	Interpersonal Dimension
	Biological Dimension	Motor Dimension
	Self-Care Dimension	

	Subtypes of Schizophrenic Disorders	275
	Disorganized (Hebephrenic) Schizophrenia	
	Catatonic Schizophrenia	
	Paranoid Schizophrenia	
	Undifferentiated Schizophrenia	
	The Process-Reactive Distinction	282
	Disorders Related to Schizophrenia	284
	Schizoaffective Disorders	
	Paranoia	
	Summary	288
11	Schizophrenia and Related Disorders: Causes and Treatment	290
	Incidence and Correlates of Schizophrenia	290
	Causes of Schizophrenia	294
	Biological Factors	
	Psychological Factors	
	An Integrated View of Schizophrenia	
	Treatment of Schizophrenia	309
	Biological Treatments	
	Psychological Treatments	
	Summary	316
12	Personality Disorders: Antisocial Behavior	317
	Subtypes of Personality Disorders	318
	Antisocial Personality Disorder	318
	Developmental Course	
	Incidence and Causes	
	Treatment of Antisocial Behavior	
	The Antisocial Personality and Criminal Behavior	347
	The Nature of Criminal Behavior	
	Relationship of Crime to	
	Categories of Maladaptive Behavior	
	Summary	354
13	Organic Brain Disorders	356
	Behavioral Manifestations of Brain Disorders	358
	Organic Brain Syndromes	362
	Types of Organic Brain Disorders	365
	Degenerative Diseases	
	Infectious Diseases	
	Cerebrovascular Disorders	
	Brain Damage Due to Trauma	
	Drug-Induced Disorders	
	Brain Tumors	
	Nutritional, Toxic, and Metabolic Disorders	
	Treatment of Organic Brain Disorders	378
	Epilepsy	380
	Types of Epilepsy	
	Psychological Treatment of Seizure Disorders	
	Summary	388

Disorders Usually Arising in Childhood

- 14 Mental Retardation 390**
- Levels of Mental Retardation 393
 - Mild Mental Retardation (IQ: 55–69) Moderate Mental Retardation (IQ: 40–54) Severe Mental Retardation (IQ: 25–39) Profound Mental Retardation (IQ: Below 25)
 - Incidence and Causes 398
 - Cultural-Familial Mental Retardation Organic Mental Retardation
 - Normalization and Deinstitutionalization 405
 - Treatment and Prevention of Mental Retardation 407
 - Treatment Prevention
 - Summary 416
- 15 Child Behavior Disorders 417**
- Conduct Problems 418
 - Incidence and Causes Treatment of Conduct Problems
 - Anxiety-Withdrawal Disorders 422
 - Incidence and Causes Treatment of Anxiety and Social Withdrawal The Question of Subtypes
 - Psychophysiological and Somatoform Disorders 433
 - Specific Developmental Disorders 435
 - Hyperactivity Learning Disabilities Language Disorders Enuresis and Encopresis Stereotyped Movement Disorders
 - Pervasive Developmental Disorders 444
 - Infantile Autism Childhood Schizophrenia Treatment of Pervasive Developmental Disorders
 - Summary 455

Social and Life-Style Problems

- 16 Substance Use Disorders 458**
- Alcoholism: Alcohol Abuse and Dependence 461
 - Stages of Alcohol Dependence Dimensions in Alcohol Abuse
 - Incidence of Alcoholism Causes of Alcoholism
 - Treatment of Alcoholism

Other Drug Use Disorders	480
Dimensions of Drug Abuse	Incidence of Drug Abuse and Dependence
Causes of Drug Abuse and Dependence	Types of Abused Drugs
Treatment of Drug Use Disorders	
Summary	503

17 Sexual Disorders 505

Sexual Dysfunctions	506
Male Dysfunctions	Female Dysfunctions
Causes of Sexual Dysfunctions	Treatment of Sexual Dysfunctions
Gender Role and Identity Disorders	519
Transvestism	Transsexualism
Sexual Deviations (Paraphilias)	526
Fetishism	Zoophilia
Pedophilia	Voyeurism
Exhibitionism	Sexual Sadism and Masochism
Causes of Paraphilias	Treatment of Paraphilias
The Question of Homosexuality	537
Basic Findings on Homosexuality	Causes of Homosexuality
Modification of Sexual Preferences	
Summary	546

18 Life-Style Problems 548

Self-Control: Removing Personal Limits on Life-Styles	549
An Assertive Life-Style	A Healthy Life-Style
A Relaxed Life-Style	
Achieving a Satisfying Intimate Life-Style	559
Marital Relationships	Alternative Intimate Life-Styles
Sexual Life-Styles: Cross-Cultural Views	
Prejudice: Removing Social Limits on Life-Styles	571
Racism	Sexism
Ageism	Prejudice Against Former Mental Patients
Psychology and the Future	578
Summary	580

Appendix The Process of Finding Out: Methods of Behavioral Research 581

Naturalistic Observation	582
Experimental Methods	582
Correlational Studies	Controlled Experiments
Summary	591

Glossary	592
References	610
Acknowledgments	646
Name Index	651
Subject Index	658
