List of Figures	8
List of Colour plates	11
List of Tables	12
Acknowledgements	13
1 THE LARKS	15
Distribution, habitats and numbers	16
Evolution and taxonomy	19
The different genera	21
1. <i>Mirafra</i>	22
2. <i>Pinarocorys</i>	23
3. <i>Heteromirafra</i>	24
4. <i>Certhilauda</i>	24
5. <i>Chersomanes</i>	25
6. <i>Eremopterix</i>	26
7. <i>Ammomanes</i>	27
8. <i>Alaemon</i>	28
9. <i>Rhamphocoris</i>	29
10. <i>Melanocorypha</i>	29
11. <i>Calandrella</i>	30
12. <i>Spizocorys</i>	31
13. <i>Eremalauda</i>	32
14. <i>Cersophilus</i>	32
15. <i>Galerida</i>	33
16. <i>Pseudalaemon</i>	34
17. <i>Lullula</i>	35
18. <i>Alauda</i>	35
19. <i>Eremophila</i>	37
Structure of the larks	38
General ecology and behaviour	40
Surviving heat and drought	44
2 DISTRIBUTION AND VARIATION	48
Structure	51
Subspecific variation	53
Identification of the <i>Alauda</i> larks	55

6		58
3	POPULATIONS AND HABITATS	59
	Habitats	64
	Other factors affecting Skylark distribution	67
	Populations and population trends	72
4	SONG AND SONG FLIGHT	73
	Song	79
	The song flight	84
	Duration and timing of song	89
5	MATING AND TERRITORIALITY	91
	Relationship between the sexes	92
	Site fidelity and sex ratios	94
	Territoriality and aggression	97
6	NESTS AND EGGS	98
	The breeding season	100
	Nest building	103
	Eggs and laying	109
	Incubation and hatching	113
7	RAISING THE CHICKS	114
	Life in the nest	116
	Leaving the nest	117
	Parental care	118
	Patterns of growth and development	120
	Feeding the chicks	127
8	PRODUCTIVITY	128
	Nest survival and predation	133
	Productivity of nests and the number of nesting attempts	137
9	MIGRATION AND OTHER MOVEMENTS	138
	Annual migration	140
	Mass movements	143
	Movements of British Skylarks	144
	Hard weather movements	146
	Migratory flight	148
	Sex ratios	150
10	WINTER	151
	Habitat use in winter	156
	Diet and feeding rates	159
	Behaviour in winter	162
11	SURVIVAL AND MORTALITY	164
	Predators and other causes of mortality	167
	Predators and population declines	167
	Hunting today	

12	SKYLARKS AND MODERN AGRICULTURE	171
	The politics of agricultural intensification	174
	Declines in biodiversity on farmland	176
	Skylarks and cereals	178
	Skylarks and set-aside	187
	Skylarks and grassland	188
	Skylarks, hedgerows and crop diversity	190
	Pesticides and organic farming	192
	Genetically modified crops	196
	Skylarks as crop pests	197
	The conservation of Skylarks on farmland	198
13	POETRY, PERSECUTION AND THE RISE OF POPULAR PROTEST	202
	The Skylark in art and popular culture	204
	Introduced populations	207
	Hunting through history	210
	Victorian markets and the rise of protest	216
	Epilogue	226
	<i>Appendices</i>	
	1 The world's larks	227
	2 Scientific names of plants and animals mentioned in the text	231
	Bibliography	234
	Index	249
