Chapter WIP

What Is Psychology?

Images of Psychology

Portrait of a Psychologist WIP-3

Preview WIP-3

Defining Psychology WIP-3

The Beginnings of Psychology as a Science WIP-4

From Myth to Philosophy to Psychology WIP-4

Early Contributors WIP-4

Early and Contemporary Approaches
to Psychology WIP-5

The Behavioral Approach WIP-5

The Psychoanalytic Approach WIP-7

The Humanistic Approach WIP-7

The Cognitive Approach WIP-8

The Neurobiological Approach WIP-9

The Sociocultural Approach WIP-9

Which Approach Is Best? WIP-10

Women and Ethnic Minorities
in Psychology's History WIP-10

Psychology and Pseudopsychology WIP-12

Psychology's Careers and Areas
of Specialization WIP-15

Careers in Psychology WIP-15

Areas of Specialization in Psychology WIP-15

Critical Thinking About Behavior

The Importance of Asking Questions WIP-18

Overview WIP-19

Key Terms WIP-20

Resources and Readings
in Psychology WIP-21

Chapter HMD

Human Development

Images of Psychology

*The Best of Times and the Worst of Times
for Today's Children* HMD-3

Preview HMD-3

What Is Development? HMD-4

Biological, Cognitive, and Socioemotional
Processes HMD-4

Periods of Development HMD-4

Maturation and Experience

(Nature and Nurture) HMD-5

Continuity and Discontinuity HMD-5

Metaphors for Development HMD-7

Child Development HMD-7

Prenatal Development and Birth HMD-8

Children's Physical Development HMD-9

Children's Cognitive Development HMD-12

Children's Socioemotional

Development HMD-20

Gender HMD-26

Children: Our Nation's Future HMD-29

Adolescence HMD-32

Historical Beginnings and the Nature of

Adolescence HMD-32

Physical Development HMD-32

Cognitive Development HMD-33

Socioemotional Development HMD-34

Adult Development and Aging HMD-39

Early and Middle Adulthood HMD-39

Late Adulthood and Aging HMD-42

Death and Dying HMD-47

Critical Thinking About Behavior

Moral Crimes and Misdemeanors HMD-50

Overview HMD-51

Key Terms HMD-52

Resources and Readings
in Psychology HMD-54

Chapter M&E

Motivation and Emotion with Laura King

Images of Psychology

Gerard d'Aboville M&E-3

Preview M&E-4

Some Ideas Behind the "Whys" of Behavior M&E-4

Instincts M&E-4

Needs and Drives M&E-4

Incentives M&E-5

Hierarchy of Motives M&E-5

Motivation's Biological, Cognitive, and
Sociocultural Dimensions M&E-5

Hunger M&E-7

Physiological Factors M&E-7

External and Cognitive Factors M&E-8

Sexuality M&E-10

Hormones and Brain Processes M&E-10

The Human Sexual Response Cycle M&E-11

Psychosexual Dysfunctions M&E-11

Heterosexuality and Homosexuality M&E-12

Competence and Achievement M&E-15

Competence Motivation M&E-15

Achievement Motivation M&E-16

Intrinsic and Extrinsic Motivation M&E-16

Mastery Versus Helpless and Performance

Orientation M&E-17

Goal Setting and Self-Efficacy M&E-19

Self-Esteem M&E-19

Cultural, Ethnic, and Social Class Variations
in Achievement M&E-19

Emotion M&E-21

Range and Classification of Emotions M&E-24

Happiness M&E-24

Anger M&E-25

Physiological Arousal and Brain Processes
in Emotion M&E-27

Cognition and Emotion M&E-29

Developmental, Sociocultural, and Gender
Influences M&E-31

Critical Thinking About Behavior

The Value of Sexual Skepticism M&E-38

Overview M&E-39

Key Terms M&E-40

**Resources and Readings
in Psychology M&E-41**

Chapter LRN

Learning

Images of Psychology

"Sesame Street" Around the World LRN-3

Preview LRN-4

What Is Learning? LRN-4

Classical Conditioning LRN-4

Pavlovian Conditioning LRN-5

Generalization, Discrimination,
and Extinction LRN-5

How Classical Conditioning Works: Pavlov
and the Contemporary Perspective LRN-6

Classical Conditioning in Humans LRN-8

Evaluation of Classical Conditioning LRN-9

Operant Conditioning LRN-10

Thorndike's Law of Effect LRN-10

Skinner's Operant Conditioning LRN-11

Some Principles of Operant
Conditioning LRN-14

Extinction, Generalization, and
Discrimination LRN-17

Applications of Operant Conditioning LRN-18

Observational Learning LRN-19

Cognitive Factors in Learning LRN-24

Expectations and Cognitive Maps LRN-25

Insight Learning LRN-25

Biological and Cultural Factors in Learning LRN-26

Biological Factors LRN-26

Cultural Factors LRN-27

Critical Thinking About Behavior

Operant Solutions to Grocery Store

Nightmares LRN-29

Overview LRN-30

Key Terms LRN-31

**Resources and Readings
in Psychology LRN-32**

Chapter MEM

Memory with James C. Bartlett

Images of Psychology

M.K. and the Russian, S. MEM-3

Preview MEM-3

The Nature of Memory MEM-4

Time Frames of Memory MEM-4

Contents of Memory MEM-7

Interactions Between Types
of Memory MEM-10

Memory Processes MEM-11

Encoding MEM-11

Retrieval and Forgetting MEM-15

The Representation of Knowledge
in Memory MEM-22

Network Theories MEM-22

Schema Theories MEM-22

Connectionist Theories MEM-25

The Neurobiological Basis of Memory MEM-26

Mnemonics and Memory Strategies MEM-28

Imagery MEM-28

Systematic Memory and Study

Strategies MEM-29

Critical Thinking About Behavior

*"Are You Sure About That?": Declarative
Memory and Confidence* MEM-30

Overview MEM-31

Key Terms MEM-32

**Resources and Readings in
Psychology MEM-33**

Chapter T&L

Thinking and Language

*with James C. Bartlett, Barry S. Stein,
and William F. Katz*

Images of Psychology

Explorations in Thought and Language T&L-3

Preview T&L-3

The Cognitive Revolution in Psychology T&L-3

Problem Solving T&L-5

Characteristics of Problem Solving T&L-5

How Problems Differ T&L-7

Problem Solving in Experts and Novices T&L-7

Improving Problem-Solving Skills T&L-10

Reasoning and Judgment T&L-15

Inductive and Deductive Reasoning T&L-15

Estimating Probabilities T&L-20

Critical Thinking T&L-21

Conceptual Knowledge T&L-22

Key Terms SOR-36
Resources and Readings
in Psychology SOR-37
