PART

I

INTRODUCTION

CHAPTER 1

History of the Sertoli Cell Discovery

3

Rex A. Hess and Luiz R. França

CHAPTER 2

Perspective on the Function of Sertoli Cells

15

Michael D. Griswold

CHAPTER 3

Structure of the Sertoli Cell

19

Rex A. Hess and Luiz R. França

PART

II

SERTOLI CELL DEVELOPMENT

CHAPTER 4

Embryonic Sertoli Cell Differentiation

43

Andrea S. Cupp and Michael K. Skinner

CHAPTER 5

Sertoli Cell Biology in Fishes and Amphibians

71

Jerry Bouma and Joseph G. Cloud

CHAPTER 6

Sertoli Cell Biology in Seasonal Breeders

81

Amiya P. Sinha Hikim and Andrzej Bartke

P A R T

III

SERTOLI CELL FUNCTION AND GENE EXPRESSION

CHAPTER 7

Sertoli Cell Gene Expression and Protein Secretion

95

Michael D. Griswold and Derek McLean

CHAPTER 8

Sertoli Cell Secreted Regulatory Factors

107

Michael K. Skinner

CHAPTER 9

Proteases and Protease Inhibitors

121

Martin Charron and William W. Wright

P A R T

IV

SERTOLI CELL ENDOCRINOLOGY AND
SIGNAL TRANSDUCTION

CHAPTER 10

FSH Regulation at the Molecular and Cellular Levels:**Mechanisms of Action and Functional Effects**

155

Ilpo Huhtaniemi and Jorma Toppari

CHAPTER 11

***In Vivo* FSH Actions**

171

Charles M. Allan and David J. Handelsman

CHAPTER 12

Sertoli Cell Endocrinology and Signal Transduction: Androgen Regulation

199

Richard M. Sharpe

CHAPTER 13

Thyroid Hormone Regulation of Sertoli Cell Development

217

Paul S. Cooke, Denise R. Holsberger, and Luiz R. França

CHAPTER 14

The Transforming Growth Factor β Superfamily in Sertoli Cell Biology

227

Kate L. Loveland and David M. Robertson

P A R T

V

SERTOLI CELL TRANSCRIPTIONAL REGULATION

CHAPTER 15**Transcription Factors in Sertoli Cells**

Jaideep Chaudhary and Michael K. Skinner

251

CHAPTER 16**Structure and Regulation of the FSH Receptor Gene**

Leslie L. Heckert

281

P A R T

VI

CELL-CELL INTERACTIONS INVOLVING SERTOLI CELLS

CHAPTER 17**The Role of the Sertoli Cell in Spermatogonial Stem Cell Fate**

Martin Dym and Lixin Feng

303

CHAPTER 18**Sertoli Cell-Somatic Cell Interactions**

Michael K. Skinner

317

CHAPTER 19**Sertoli Cell Lines**

Kenneth P. Roberts

329

P A R T

VII

SERTOLI CELL PATHOPHYSIOLOGY

CHAPTER 20**Sertoli Cell Toxicants**

Kim Boekelheide, Kamin J. Johnson, and John H. Richburg

345

CHAPTER 21**Conditions Affecting Sertoli Cells**

Wael A. Salameh and Ronald S. Swerdloff

383

P A R T

VIII

SPERMATOGENIAL STEM CELLS

CHAPTER 22**Gonocyte Development and Differentiation**

417

Peter J. Donovan and Maria P. de Miguel

CHAPTER 23**Hormones and Spermatogonial Development**

437

Marvin L. Meistrich, Gunapala Shetty,
Olga U. Bolden-Tiller, and Karen L. PorterCHAPTER 24**Long-Term Cultures of Mammalian Spermatogonia**

449

Marie-Claude C. Hofmann and Martin Dym

CHAPTER 25**Transplantation**

471

Ina Dobrinski
