

TABLE OF CONTENTS

Dedication (Zheng Zouxin)	i
Editors Foreword to the English Edition	ii
Note and Acknowledgement from the Translator	iii
Project Members	iv
Foreword	v
Chapter I: Swans in Ancient and Modern Culture	1
Swans in Ancient Literature	1
Observations and Understanding of Swans by our Ancestors	2
The Divine Bird and Swan Culture in Japan	3
"Swan Lake" and Other Artistic Forms	4
Chapter II: Swans of the World	6
Key to Species of <i>Cygnus</i>	6
1. Mute Swan <i>Cygnus olor</i> (Gmelin) 1789	7
2. Black Swan <i>Cygnus atratus</i> (Latham) 1790	10
3. Black-necked Swan <i>Cygnus melancoryphus</i> (Molina) 1792	12
4. Trumpeter Swan <i>Cygnus buccinator</i> (Richardson) 1831	14
5. Whooper Swan <i>Cygnus cygnus</i> (Linnaeus) 1758	15
6. Tundra Swan <i>Cygnus columbianus</i> (Ord) 1815	17
7. Bewick's Swan <i>Cygnus bewickii</i> (Yarrell) 1838	19
Appendix: Coscoroba Swan <i>Coscoroba coscoroba</i> (Molina) 1782	20
Chapter III: Swans in China	21
The Main Research Projects: A Review	21
Species Distribution and Status	22
Mute Swan <i>Cygnus olor</i> (Gmelin)	24
Whooper Swan <i>Cygnus cygnus</i> (Linnaeus)	25
Bewick's Swan <i>Cygnus bewickii</i> (Yarrell)	26
Chapter IV: Investigation and Study at Bayinbuluke Swan Lake, Xinjiang	27
Geographical Description	28
History	30
Study Area and Methods	30
Migration Route of Whooper Swans	32
Reproduction	34
Population Dynamics and "Yellow-headed Swans"	42
Time Budget of Feeding and Other Activities	44
Changes in Bill Patterns in Whooper Swans	48
Season and Sites of Molting	49
Wintering Ecology	50
Predators and Accidents	52
Observation on Growth of Cygnets in Captivity	53
Microstructure of Eggshell, Plume and Karyotype	54
Evaluation of Environment and Suggestions in Protection	55
Other Vertebrates in Bayinbuluke	58
Chapter V: Conservation and Management	68
"The Ugly Toad Yearning to Eat the Swan"	68
Factors Affecting the Welfare of the Species	69
Protection Must Not Be Delayed	72
Management of Swan Resources	74

Chapter VI: Trends and Progress in Swan Research	76
A Summary of Studies in the Last Ten Years	76
Methods of Banding	80
Causes of Migration	83
Satellite Tracking of the Migration Routes	84
Bill Patterns and Recognition of Individuals	85
DNA Fingerprints and Alloparental Care Behavior	87
Diseases and Causes of Mortality	89
Anatomy and Distinction Between the Sexes	92
Archaeological Studies and Swan Fossil Finds	94
The International Swan Symposia: A Synthesis	94
 Appendix: "Superlatives" about Swans	 96
 Literature Cited	 98
