|--------------------------------|-----|
| Preface.....                   | vii |
| Author .....                   | ix  |
| <b>Chapter 1</b>               |     |
| Embryogenesis .....            | 1   |
| <b>Chapter 2</b>               |     |
| Digestion .....                | 29  |
| <b>Chapter 3</b>               |     |
| Nutrition .....                | 69  |
| <b>Chapter 4</b>               |     |
| Integument .....               | 91  |
| <b>Chapter 5</b>               |     |
| Hormones and Development ..... | 123 |
| <b>Chapter 6</b>               |     |
| Diapause.....                  | 161 |
| <b>Chapter 7</b>               |     |
| Intermediary Metabolism .....  | 177 |
| <b>Chapter 8</b>               |     |
| Neuroanatomy .....             | 205 |
| <b>Chapter 9</b>               |     |
| Neurophysiology .....          | 233 |
| <b>Chapter 10</b>              |     |
| Muscles .....                  | 255 |
| <b>Chapter 11</b>              |     |
| Insect Flight .....            | 279 |
| <b>Chapter 12</b>              |     |
| Sensory Systems .....          | 295 |

|                         |     |
|-------------------------|-----|
| <b>Chapter 13</b>       |     |
| Vision.....             | 315 |
| <b>Chapter 14</b>       |     |
| Circulatory System..... | 339 |
| <b>Chapter 15</b>       |     |
| Immunity .....          | 367 |
| <b>Chapter 16</b>       |     |
| Respiration.....        | 385 |
| <b>Chapter 17</b>       |     |
| Excretion .....         | 417 |
| <b>Chapter 18</b>       |     |
| Pheromones.....         | 447 |
| <b>Chapter 19</b>       |     |
| Reproduction.....       | 483 |
| <b>Appendix</b> .....   | 511 |
| <b>Index</b> .....      | 517 |
