

CONTENTS

Preface.....	ix
Materials and Methods	x
Acknowledgments	xiii
About the Author.....	xv
1 The Plasmodiid Parasites	1
Morphology and Life Cycles	1
Vectors	1
Course of Infection in the Vertebrate Host.....	3
Ultrastructure of Reptilian Plasmodiids.....	6
Sporogonic Stages	6
Intrinsic Stages	8
Taxonomic Characters	12
Species Accounts	12
<i>Plasmodium</i> Species of African Lizards.....	12
<i>Plasmodium</i> Species of Neotropical Lizards.....	46
<i>Plasmodium</i> Species of North American Lizards	126
<i>Plasmodium</i> Species of Asian Lizards	135
<i>Plasmodium</i> Species of Australasian Lizards.....	150
The <i>Plasmodium</i> Parasites of Snakes, Subgenus <i>Ophidiella</i>	160
Asian <i>Haemocystidium</i> Species.....	165
Australian <i>Haemocystidium</i> Species.....	166
Palearctic <i>Haemocystidium</i> Species.....	168
African <i>Haemocystidium</i> Species	176
Neotropical <i>Saurocytozoon</i> Species.....	177
Neotropical/Oriental <i>Saurocytozoon</i> Species	179

	The <i>Fallisia</i> Species of Lizards	180
	<i>Progarnia</i> Species	189
	<i>Haemoproteus</i> Species of Snakes	190
	<i>Haemoproteus</i> Species of North American Turtles	192
	<i>Haemoproteus</i> Species of Neotropical Turtles	195
	<i>Haemoproteus</i> Species from African Turtles	195
	<i>Haemoproteus</i> Species from Asian Turtles	197
	<i>Haemoproteus</i> Species from Australian Turtles	198
2	The Hemogregarines	199
	<i>Haemogregarina</i>	199
	<i>Hepatozoon</i>	200
	Morphology	201
	<i>Karyolysus</i>	202
	<i>Hemolivia</i>	203
	Ultrastructure	204
	Species Accounts	204
	Apicomplexa: Adeleorina	204
	Hepatozoidae	204
	North American <i>Hepatozoon</i> Species	204
	Neotropical <i>Hepatozoon</i> Species	224
	Asian <i>Hepatozoon</i> Species	231
	Australasian <i>Hepatozoon</i> Species	234
	African <i>Hepatozoon</i> Species	236
	Palearctic <i>Hepatozoon</i> Species	241
	Haemogregarinidae	245
	North American <i>Haemogregarina</i> Species	245
	Palearctic <i>Haemogregarina</i> Species	249
	Asian <i>Haemogregarina</i> Species	251
	African <i>Haemogregarina</i> Species	251
	Karyolysidae	252
	<i>Karyolysus</i> Species of Palearctic Lizards	252
	<i>Hemolivia</i> Species	256
3	The Hemococcidia of Lizards	261
	Apicomplexa: Eimeriorina	261
	Species Accounts	262
	<i>Schellackia</i> Species of North American Lizards	262
	<i>Schellackia</i> and <i>Lainsonia</i> Species of Neotropical/North American Lizards	264
	<i>Schellackia</i> Species of Asian Lizards	267
	<i>Schellackia</i> Species of African Lizards	270
	<i>Schellackia</i> Species of Lizards in the Mediterranean Region	271
4	Kinetoplastida, Trypanosomatidae	275
	<i>Trypanosoma</i>	275
	Species Accounts	278
	<i>Trypanosoma</i> Species of Neotropical Lizards	278
	<i>Trypanosoma</i> Species of North American Lizards	284
	<i>Trypanosoma</i> Species of African Lizards	286

	<i>Trypanosoma</i> Species of Mediterranean and Middle Eastern Lizards	295
	<i>Trypanosoma</i> Species of Asian Lizards	296
	<i>Trypanosoma</i> Species of Australian Lizards	300
	<i>Trypanosoma</i> Species of Neotropical Snakes	300
	<i>Trypanosoma</i> Species of North American Snakes	303
	<i>Trypanosoma</i> Species of African Snakes	305
	<i>Trypanosoma</i> Species of Asian Snakes	307
	<i>Trypanosoma</i> Species of North American Turtles	307
	<i>Trypanosoma</i> Species of African Turtles	308
	<i>Trypanosoma</i> Species of Asian Turtles	309
	<i>Trypanosoma</i> Species of Australian Turtles	309
	<i>Trypanosoma</i> Species of Crocodilians	310
	<i>Sauroleishmania</i> Parasites of Reptiles	311
	Species Accounts	314
5	Piroplasmorida	319
	<i>Sauroplasma</i>	319
	Species Accounts	319
	<i>Sauroplasma</i>	319
	<i>Serpentoplasma</i>	322
	Parasites of Uncertain Relationship	325
6	Prokaryotic Parasites of Reptilian Blood Cells	327
	Rickettsiales: <i>Aegyptianella</i>	327
	Chlamydial Infection of Reptilian Leukocytes	329
7	Viral Infections of Circulating Blood Cells	331
	Poxvirus Infection of Leukocytes	331
	Iridovirus Infections of Erythrocytes	331
	Lizard Erythrocytic Virus	331
	Snake Erythrocytic Virus	334
	Literature Cited	337
	Appendix: The Identification of Reptilian Hemoparasites	357
	Index	369
