Contents Guide ix

Preface xi

Acknowledgments xv

Introduction xvii

1. Craniata and Vertebrata 1

Phylogeny and Classification 1

Vertebrate Relatives 4

Craniates and Vertebrates 7

Early Stages in the Evolution of Vertebrates 8

Vertebrata 8

Amniote Skulls and Classification 16

2. The Lamprey 19

Introduction 19

Section I: Skeleton 19

Section II: External Anatomy 20

Section III: Pleuroperitoneal Cavity and Viscera 21

Section IV: Sagittal Section 22

Key Terms: Lamprey 26

3. The Shark 27

Introduction 27

Section I: Skeleton 27

Chondrocranium 28

Splanchnocranium 28

Vertebrae and Fins 31

Key Terms: Skeleton 34

Section II: External Anatomy 35

Key Terms: External Anatomy 38

Section III: Muscular System 39

Trunk and Appendicular Muscles 39

Muscles of the Head and Branchial Region 39

Branchiomerger Musculature 40

Hypobranchial Musculature 43

Key Terms: Muscular System 44

Section IV: Digestive and Respiratory Systems 45

Key Terms: Digestive and Respiratory Systems 49

Section V: Cardiovascular System 50

Heart and Arterial Circulation 50

Heart 50

Arteries of the Branchial Region 51

Branches of the Dorsal Aorta 54

Venous Circulation 56

Hepatic Portal System 56

Renal Portal System 56

Systemic Veins 58

Key Terms: Cardiovascular System 59

Section VI: Urogenital System 59

Male Urogenital System 59

Key Terms: Male Urogenital System 62

Female Reproductive System 62

Key Terms: Female Reproductive System 63

Section VII: Sensory Organs 63

Ampullae of Lorenzini 63

Lateral Line System 64

Nose 64

Eye 65

Ear 66

Key Terms: Sensory Organs 67

Section VIII: Brain and Cranial Nerves 70

Brain 72

Cranial Nerves (CNN 0, I-X, and Lateral Line Nerves) 74

Ventral View of the Brain 76

Sagittal Section of the Brain 76

Key Terms: Brain and Cranial Nerves 76

4. The Perch 79

Introduction 79

Section I: Skeleton Skull 79

Key Terms: Skull 81

Postcranial Skeleton 81

Key Terms: Postcranial Skeleton 82

Section II: External Anatomy 82

Key Terms: External Anatomy 84

Section III: Mouth, Oral Cavity, and Pharynx 84

Key Terms: Mouth, Oral Cavity, and Pharynx 84

Section IV: Pleuroperitoneal Cavity and Viscera 85

Key Terms: Pleuroperitoneal Cavity and Viscera 88

5. The Mudpuppy 89

Introduction 89

Section I: Skeleton 89

Cranial Skeleton 89

Skull 89

Mandible 91

Hyoid Apparatus 91

Key Terms: Cranial Skeleton 92

Postcranial Skeleton 93

Axial Skeleton 93

Appendicular Skeleton 93

Key Terms: Postcranial Skeleton 95

Section II: External Anatomy 96

Key Terms: External Anatomy 96

Section III: Muscular System 96

Muscles of the Trunk and Tail 97

Muscles of the Head and Pectoral Region 99

Muscles of the Pelvic Region 106

Key Terms: Muscular System 108

Section IV: Mouth, Oral Cavity, and Pharynx	109
Key Terms: Mouth, Oral Cavity, and Pharynx	110
Section V: Pleuroperitoneal Cavity and Viscera	110
Key Terms: Pleuroperitoneal Cavity and Viscera	113
Section VI: Urogenital System	113
Male Urogenital System	113
Female Urogenital System	117
Key Terms: Urogenital System	117
Section VII: Cardiovascular System	117
Heart	117
Venous System	117
Arterial System	119
Key Terms: Cardiovascular System	125

6. The Frog 127

Introduction	127
Section I: Skeleton	127
Skull, Mandible, and Hyoid Apparatus	127
Key Terms: Skull, Mandible, and Hyoid Apparatus	131
Postcranial Skeleton	131
Key Terms: Postcranial Skeleton	133
Section II: External Anatomy	133
Key Terms: External Anatomy	134
Section III: Mouth, Oral Cavity, and Pharynx	134
Key Terms: Mouth, Oral Cavity, and Pharynx	135
Section IV: Pleuroperitoneal Cavity, Viscera, and Urogenital System	135
Key Terms: Pleuroperitoneal Cavity, Viscera, and Urogenital System	140
Section V: Cardiovascular System	140
Key Terms: Cardiovascular System	145

7. The Cat 147

Introduction	147
Section I: Skeleton	148
Cranial Skeleton	148
Skull	148
Mandible	155
Hyoid Apparatus	155
Key Terms: Cranial Skeleton	156
Comparative Mammalian Skulls and Mandibles	157
Postcranial Skeleton	164
Vertebral Column	164
Cervical Vertebrae	165
Thoracic Vertebrae	166
Lumbar Vertebrae	167
Sacral Vertebrae	167
Caudal Vertebrae	167
Ribs	168
Sternum	168
Forelimb	168
Scapula	168
Clavicle	168
Humerus	170
Ulna	170
Radius	170
Manus	171

Hind Limb	172
Pelvis	172
Femur	172
Patella	173
Tibia	173
Fibula	174
Pes	174
Key Terms: Postcranial Skeleton	174
Section II: External Anatomy	176
Key Terms: External Anatomy	177
Section III: Muscular System	177
Muscle Terminology	177
Connective Tissue and Fiber Direction	177
Key Terms: Muscular System	178
Subdivision of the Musculature	178
Skinning the Cat	178
Appendicular Muscles	179
Muscles of the Forelimb	179
Superficial Forelimb Muscles: Lateral View	179
Superficial Forelimb Muscles: Ventral View	181
Deep Forelimb Muscles: Lateral View	183
Deep Forelimb Muscles: Lateral View with Forelimb Abducted	183
Key Terms: Muscles of the Forelimb	186
Muscles of the Hind Limb	188
Superficial Hind Limb Muscles: Lateral View	188
Superficial Hind Limb Muscles: Medial View	189
Deep Hind Limb Muscles: Lateral View	190
Deep Hind Limb Muscles: Medial View	194
Key Terms: Muscles of the Hind Limb	196
Muscles of the Head and Trunk	198
Muscles of the Trunk	198
Muscles of the Back and Neck	199
Muscles of the Throat and Jaw	201
Key Terms: Muscles of the Head and Trunk	202
Section IV: Digestive and Respiratory Systems	204
Salivary Glands	204
Oral Cavity and Pharynx	205
Pericardial Cavity	212
Abdominopelvic Cavity	212
Key Terms: Digestive and Respiratory Systems	219
Section V: Cardiovascular System	220
Heart	220
Vessels	220
Main Vessels Associated with the Heart	220
Vessels Anterior to the Diaphragm	220
Vessels Posterior to the Diaphragm	228
Vessels Associated with the Viscera	230
Key Terms: Cardiovascular System	238
Section VI: Urogenital System	239
Excretory System	239
Key Terms: Excretory System	240
Male Reproductive System	240
Opening the Pelvic Canal	241
Key Terms: Male Reproductive System	242
Female Reproductive System	242
Key Terms: Female Reproductive System	244

Section VII: Brain and Cranial Nerves 244

Meninges 244

Telencephalon 245

Diencephalon 245

Mesencephalon 249

Metencephalon 249

Myelencephalon 249

Sagittal Section of the Brain 249

Cranial Nerves 251

Key Terms: Brain and Cranial Nerves 252

8. Reptile Skulls and Mandibles 253

Introduction 253

Section I: Turtle Skull and Mandible 253

Key Terms: Turtle Skull and Mandible 260

Section II: Iguana Skull and Mandible 260

Key Terms: Iguana Skull and Mandible 267

Section III: Snake Skull and Mandible 268

Key Terms: Snake Skull and Mandible 273

Section IV: Alligator Skull and Mandible 273

Key Terms: Alligator Skull and Mandible 279

Section V: Dinosaur Skull and Mandible 280

Key Terms: Dinosaur Skull and Mandible 285

9. The Pigeon 287

Introduction 287

Section I: Skeleton 287

Skull, Mandible, and Hyoid Apparatus 288

Postcranial Skeleton 291

Vertebrae 291

Ribs 291

Sternum 292

Pectoral Girdle and Forelimb 292

Pelvic Girdle and Hind Limb 293

Key Terms: Skeleton 293

Section II: External Anatomy 294

Key Terms: External Anatomy 297

Section III: Musculature 297

Key Terms: Musculature 300

Section IV: Body Cavity, Viscera, and Vessels 300

Key Terms: Body Cavity, Viscera, and Vessels 309

Selected References 311
