

Contents

1 Introduction to the Study of Exotic Birds	1
1.1 Introduction	1
1.2 A Brief History of Exotic Birds	3
1.3 The Invasion Pathway	10
1.4 Analysing the Invasion Process	16
1.5 Précis	21
2 Transport and Introduction	27
2.1 Introduction	27
2.2 Patterns in the Transport and Introduction of Birds	30
2.3 Correlates of Transport and Introduction Separately	42
2.4 What Do We Learn about the Early Stages of Invasion from Studying Introduced Birds?	45
2.5 Conclusions	47
3 The Role of Contingency in Establishment Success	51
3.1 Introduction	51
3.2 Propagule Pressure and Establishment Success	57
3.3 Other Associations of Propagule Pressure	67
3.4 Conclusions	74
4 The Role of Species Traits in Establishment Success	77
4.1 Introduction	77
4.2 The 'All-or-None' Pattern: Does it Really Exist?	79
4.3 Intrinsic Characteristics as Determinants of Establishment Success	82
4.4 Conclusions	103

5 The Role of Location in Establishment Success	107
5.1 Introduction	107
5.2 Environmental Matching	108
5.3 Human Commensalisms	110
5.4 Biotic Interactions	112
5.5 Conclusions	128
6 Geographic Range Expansion of Exotic Birds	131
6.1 Introduction	131
6.2 Patterns of Spread	132
6.3 Models of Spread	146
6.4 Conclusions	156
7 The Ecology of Exotic Birds in Novel Locations	161
7.1 Introduction	161
7.2 Exotic Bird Species Richness	163
7.3 Changes in Diversity Patterns across Space after Invasion	168
7.4 Large-scale Patterns in the Distribution and Abundance of Exotic Birds	173
7.5 Impacts of Exotic Birds on Native Species and Communities	176
7.6 Conclusions	184
8 The Genetics of Exotic Bird Introductions	187
8.1 Introduction	187
8.2 Population Genetics in the Context of Exotic Bird Introductions	188
8.3 Studies of Genetic Variation between Exotic Bird Populations	199
8.4 The Role of Genetic Variation in Establishment Success and Range Expansion	204
8.5 Introgressive Hybridization of Exotic Birds with Natives	211
8.6 Conclusions	213
9 The Evolution of Exotic Birds	215
9.1 Introduction	215
9.2 Evolution in Response to Climatic Shifts	217
9.3 Evolution in Response to Novel Interspecific Associations	229
9.4 Conclusions	241

10 Lessons from Exotic Birds	243
10.1 Introduction	243
10.2 'Ockham's Razor': All Else being Equal, the Simplest Solution is the Best	244
10.3 False Dichotomies	253
10.4 'Somewhere, Something Incredible is Waiting to be Known' (Carl Sagan)	254
10.5 Conclusions	257
Bibliography	259
Index	297
