Preface vii

I The Earth's Biomass: Stores, Productivity, Harvests 1

- 1 Biomass: Definitions and Compositions 5
- 2 Biomass Stores: Means and Extremes 15
- 3 Biomass Productivities 31
- 4 Phytomass Harvests 41
- 5 Zoomass Harvests 51
- 6 Land Cover and Productivity Changes 59

II History of the Harvests: From Foraging to Globalization 65

- 7 The Evolution of Foraging 71
- 8 Crops and Animals 103
- 9 Biomass Fuels and Raw Materials 131

III Adding Up the Claims: Harvests, Losses, and Trends 151

- 10 Changing Land Cover and Land Use 157
- 11 Harvesting the Biosphere 183
- 12 Long-Term Trends and Possible Worlds 221
