Introduction xi

Map of geographical area xiii

Nuisance Aquatic Plants of the Northeast xv

General Keys xix

## Pteridophytes 3

Osmundaceae 3

Schizaeaceae 3

Thelypteridaceae 3

Dryopteridaceae 3

Blechnaceae 8

Marsileaceae 8

Salvinaceae 14

Equisetaceae 17

Lycopodiaceae 23

Isoetaceae 25

## Gymnosperms 28

Pinaceae 28

Cupressaceae 28

Taxodiaceae 34

## Angiosperms 35

Dicotyledons 35

Subclass Magnoliidae 35

Magnoliaceae 35

Lauraceae 35

Saururaceae 35

Cabombaceae 38

Nymphaeaceae 38

Nelumbonaceae 44

Ceratophyllaceae 50

Ranunculaceae 50

Subclass Hamamelidae 68

Ulmaceae 68

Urticaceae 68

Myricaceae 72

Betulaceae 72

Subclass Caryophyllidae 79

Chenopodiaceae 79

Amaranthaceae 82

Polygonaceae 85

Plumbaginaceae 101

Subclass Dilleniidae 107

Elatinaceae 107

Clusiaceae (Guttiferae) 110

Malvaceae 118

Sarracenaceae 120

Droseraceae 120

Violaceae 125

Tamaricaceae 129

Salicaceae 129

Brassicaceae (Cruciferae) 143

Clethraceae 153

Empetraceae 153

Ericaceae 158

Primulaceae 168

Subclass Rosidae 177

Crassulaceae 177

Saxifragaceae 177

Rosaceae 179

Fabaceae 191

Podostemaceae 191

Haloragaceae 194

Lythraceae 203

Trapaceae 206

Onagraceae 210

Melastomataceae 214

Nyssaceae 230

Cornaceae 237

Aquifoliaceae 237

Rhamnaceae 243

Aceraceae 243

Anacardiaceae 245

|                         |     |                                  |     |
|-------------------------|-----|----------------------------------|-----|
| Balsaminaceae           | 245 | Plantaginaceae                   | 323 |
| Apiaceae (Umbelliferae) | 245 | Oleaceae                         | 323 |
| Subclass Asteridae      | 267 | Scrophulariaceae                 | 327 |
| Loganiaceae             | 267 | Acanthaceae                      | 345 |
| Gentianaceae            | 267 | Lentibulariaceae                 | 352 |
| Asclepiadaceae          | 274 | Campanulaceae                    | 365 |
| Solanaceae              | 276 | Rubiaceae                        | 370 |
| Menyanthaceae           | 276 | Caprifoliaceae                   | 372 |
| Polemoniaceae           | 285 | Valerianaceae                    | 375 |
| Hydrophyllaceae         | 285 | Asteraceae (Compositae)          | 375 |
| Boraginaceae            | 285 | <i>Abbreviations</i>             | 429 |
| Verbenaceae             | 290 | <i>Glossary of Plant Terms</i>   | 431 |
| Lamiaceae (Labiatae)    | 294 | <i>Glossary of Habitat Terms</i> | 441 |
| Callitrichaceae         | 315 | <i>References</i>                | 443 |
| Hippuridaceae           | 315 | <i>Index</i>                     | 453 |
