Preface.....	ix
Further Reading.....	xi
Biography.....	xiii

Introduction to Part I

Matjaž Zorko

From Building Blocks to 3-D Structure

Chapter 1 Amino Acids	5
<i>Matjaž Zorko</i>	
Chapter 2 Noncovalent Interactions.....	21
<i>Matjaž Zorko</i>	
Chapter 3 Structural Organization of Proteins	35
<i>Matjaž Zorko</i>	

Protein Biosynthesis and Posttranslational Modifications

Chapter 4 The Biosynthesis of Proteins.....	61
<i>Matjaž Zorko</i>	
Chapter 5 Posttranslational Modifications.....	81
<i>Matjaž Zorko</i>	

Folding of Proteins

Chapter 6 Protein Folding.....	101
<i>Matjaž Zorko</i>	

Chapter 7	Intracellular Sorting of Proteins.....	123
	<i>Gunnar von Heijne</i>	

Protein Degradation

Chapter 8	Protein Turnover.....	137
	<i>Matjaž Zorko</i>	

Introduction to Part II

Astrid Gräslund

Chapter 9	Purification and Characterization of Proteins.....	147
	<i>Matjaž Zorko</i>	

Chapter 10	Crystallography and X-Ray Diffraction.....	159
	<i>Astrid Gräslund</i>	

Chapter 11	Optical Spectroscopy	167
	<i>Astrid Gräslund</i>	

Chapter 12	Nuclear Magnetic Resonance (NMR).....	177
	<i>Astrid Gräslund</i>	

Chapter 13	Methods to Follow Protein Folding.....	189
	<i>Astrid Gräslund</i>	

Chapter 14	Mass Spectrometry.....	195
	<i>Astrid Gräslund</i>	

Chapter 15	Chemical Synthesis of Peptides and Proteins	199
	<i>Ülo Langel</i>	

Introduction to Part III

Tiit Land

Chapter 16 Protein Engineering and Gene Silencing	215
<i>Ülo Langel</i>	
Chapter 17 Protein–Ligand Interactions	229
<i>Ülo Langel</i>	
Chapter 18 Sequence Analysis and Function Prediction	245
<i>Tiit Land</i>	
Chapter 19 Protein Structure Prediction	257
<i>Tiit Land</i>	
Chapter 20 Proteomics	263
<i>Sherry Niessen and Benjamin F. Cravatt</i>	

Introduction to Part IV

Ülo Langel

Chapter 21 Enzymes	283
<i>Matjaž Zorko</i>	
Chapter 22 Nucleic Acid–Binding Proteins	313
<i>Ülo Langel</i>	
Chapter 23 Cell Surface Receptors and Signaling	323
<i>Ülo Langel</i>	
Chapter 24 Membrane Proteins	337
<i>Gunnar von Heijne</i>	

Chapter 25 Antibodies	343
<i>Ülo Langel</i>	

Chapter 26 Fibrous Proteins.....	355
<i>Ülo Langel</i>	

Chapter 27 Selected Classes of Bioactive Peptides.....	365
<i>Ülo Langel</i>	

Introduction to Part V

Ülo Langel and Astrid Gräslund

Chapter 28 Misfolding-Based Diseases	381
<i>Astrid Gräslund</i>	

Chapter 29 Miscleavage-Based Diseases.....	389
<i>Astrid Gräslund</i>	

Chapter 30 Missequence-Based Diseases.....	395
<i>Astrid Gräslund</i>	

Chapter 31 Peptides and Proteins as Drugs	401
<i>Ülo Langel</i>	

Index	415
