
Contents

Preface		vii
Expert Commentary:	A Likelihood Based Approach Using Y-Chromosomal STRs for Metapopulation Determination <i>G. Mertens, G. Leijnen, E. Jhaes, S. Rand, W. Jacobs, and E. Van Marck</i>	1
Review and Research Articles		
Chapter I	Mestizos, Ethnic Admixture and DNA: Local Approach to the Reality of a Continent <i>Fabricio González-Andrade, Dora Sánchez and Begoña Martínez-Jarreta</i>	5
Chapter II	The Genetic Environment of Melanesia: Clines, Clusters and Contact <i>Murray P. Cox</i>	45
Chapter III	Recessive Disorders: Consanguinity and Population Substructure in British Pakistani Communities <i>Andrew D.J. Overall</i>	85
Chapter IV	"A Chance to Do the Science Right" Evaluating the Ethics of the Genographic Project <i>Norman K. Swazo</i>	123
Chapter V	The Concept of Effective Migration Rate and Its Application in Speciation Models <i>Yutaka Kobayashi and Arndt Telschow</i>	151
Chapter VI	Molecular Differentiation among <i>Inia Geoffrensis</i> and <i>Inia Boliviensis</i> (Iniidae, Cetacea) by Means of Nuclear Intron Sequences <i>Manuel Ruiz-García, Susana Caballero, María Martínez-Agüero and Joseph M. Shostell</i>	177

Chapter VII	Bayesian Analysis in Molecular Anthropology <i>M.L. Black and A.H. Bittles</i>	205
Chapter VIII	Roma/Gypsies: Footprints in the Genome <i>Bharti Morar and Luba Kalaydjieva</i>	229
Chapter IX	Metabolizing Gene Polymorphism Analysis and Susceptibility to Lymphoproliferative Diseases in Russian Population <i>Tatyana V. Nasedkina, Olga A. Gra, Zhanna M. Kozhekbaeva and Alexander S. Zasedatelev</i>	245
Chapter X	Detection of Signatures of Positive Selection in Naturally Occurring Genetic Variation <i>Sergei Volis</i>	279
Chapter XI	MtDNA Polymorphisms and Anthropological Analysis of a Small Sekler Population Living in Hungary: A Small Incidence of Asian Origin <i>Edit Nadasi, Robert Gaspar, Anita Meszaros, Gabor Horvath, Erzsebet Fothi, Janos Sandor, Ida Prantner, Istvan Ember and Judit Beres</i>	311
Chapter XII	Molecular Marker Application in Invasive Species Ecology <i>Britta Denise Hardesty</i>	331
Index		341
