

CONTENTS

Preface		xi
Chapter 1	Introduction	1
Chapter 2	Pathways to the Production of Oligosaccharides	5
	2.1. <i>Solid-Phase Synthesis of Oligosaccharides</i>	5
	2.2. <i>Physical Processes of Producing Oligosaccharides</i>	7
	2.3. <i>Chemical Processes of Synthesizing Oligosaccharides</i>	8
	2.4. <i>Enzymatic Processes</i>	14
Chapter 3	Functions of Oligosaccharides	25
	3.1. <i>Applications in Foods and Beverages</i>	25
	3.2. <i>As Dietary Fiber</i>	26
	3.3. <i>Biological Activity of Oligosaccharides</i>	29
About the Authors		33
