PREFACE	ix
INTRODUCTION	xv
Generate an Argument	1
<i>Framework Matrix</i>	2
Activity 1: Classifying Birds in the United States <i>(Species Concept)</i>	5
Activity 2: Color Variation in Venezuelan Guppies <i>(Mechanisms of Evolution)</i>	19
Activity 3: Desert Snakes <i>(Mechanics of Evolution)</i>	29
Activity 4: Fruit Fly Traits <i>(Genetics)</i>	45
Activity 5: DNA Family Relationship Analysis <i>(Genetics)</i>	55
Activity 6: Evolutionary Relationships in Mammals <i>(Genetics and Evolution)</i>	67
Activity 7: Decline in Saltwater Fish Populations <i>(Ecology and Human Impact on the Environment)</i>	81
Activity 8: History of Life on Earth <i>(Trends in Evolution)</i>	103
Activity 9: Surviving Winter in the Dust Bowl <i>(Food Chains and Trophic Levels)</i>	113
Activity 10: Characteristics of Viruses <i>(Characteristics of Life)</i>	123

Contents

Evaluate Alternatives	133
Framework Matrix	134
Activity 11: Spontaneous Generation..... (<i>Cell Theory</i>)	137
Activity 12: Plant Biomass..... (<i>Photosynthesis</i>)	149
Activity 13: Movement of Molecules in or out of Cells..... (<i>Osmosis and Diffusion</i>)	159
Activity 14: Liver and Hydrogen Peroxide..... (<i>Chemical Reactions and Catalysts</i>)	171
Activity 15: Cell Size and Diffusion..... (<i>Diffusion</i>)	181
Activity 16: Environmental Influence on Genotypes and Phenotypes..... (<i>Genetics</i>)	191
Activity 17: Hominid Evolution..... (<i>Macroevolution</i>)	203
Activity 18: Plants and Energy..... (<i>Respiration and Photosynthesis</i>)	219
Activity 19: Healthy Diet and Weight..... (<i>Human Health</i>)	229
Activity 20: Termite Trails..... (<i>Animal Behavior</i>)	239

Contents

Refutational Writing	249
Framework Matrix	250
Activity 21: Misconception About Theories and Laws (Nature of Science)	253
Activity 22: Misconception About the Nature of Scientific Knowledge (Nature of Science)	261
Activity 23: Misconception About the Work of Scientists (Nature of Science)	269
Activity 24: Misconception About the Methods of Scientific Investigations (Nature of Science)	277
Activity 25: Misconception About Life on Earth (Evolution)	285
Activity 26: Misconception About Bacteria (Microbiology)	293
Activity 27: Misconception About Interactions That Take Place Between Organisms (Ecology)	301
Activity 28: Misconception About Plant Reproduction (Botany)	309
Activity 29: Misconception About Inheritance of Traits (Genetics)	315
Activity 30: Misconception About Insects (Ecology)	321
ASSESSMENTS AND STUDENT SAMPLES	329
APPENDIX	361
INDEX	373
