LIST OF ABBREVIATIONS LIST OF FIGURES/PLATES

CHAPTERS 1	General Introduction	1
CHAPTERS 2	Review of Literature	
	Section A	
Part 1	Importance of food lipids in nutrition and health management	22
Part 2	Brain development in relation to dietary lipids	45
Section B	Scope of the Present Investigation	
CHAPTER-3	Materials and Methods	67
CHAPTER-4	Studies on nutritional effects of different oils on brain in rats	
Part A	Effect of rice brain oil and palm oil on the lipid and fatty acid	79
	Composition of brain tissues during postnatal stages	
Part B	Effect of n-3 and n-6 oils on the developmental aspects of	90
	Brain tissues during prenatal, weaning and postweaning	
	Stages	
CHAPTER-5	Modulation of in vivo lipid peroxidation through dietary	138
	Factors	
CHAPTER-6	Modulation of cholesterol induced hypercholesterolemia	187
	Through dietary factors in Indian desert gerbils	
SUMMARY AND CONCLUSION		215
