

Acknowledgments

I sincerely thank everyone who helped me over the course of several years of work on this book.

If Alan de Mijolla (International Association of the History of Psychoanalysis, Paris) had not shown an interest in publishing a French edition of this work, it is quite possible that it never would have been completed.

In various circumstances, at times difficult ones, M. G. Yaroshevsky (Institute of the History of Natural Science and Technology of the USSR Academy of Sciences, Moscow), B. M. Firsov (Sociological Institute of the Russian Academy of Sciences, St. Petersburg), and Clemens Heller (Maison des Sciences de l'Homme, Paris) all lent me their support.

N. P. Snetkova, M. I. Spielrein, N. N. Traugott, M. I. Davydova, E. A. Luria, A. I. Lipkina, Ronald Grele, James L. Rice, Boris Kravtsov, Gennady Obatnin, Leonid Ionin, Paul Roazen, Valery Maksimenko, Yury Vinogradov, Eugenia Fischer, Ferenz Eros, Michael Molnar, Vera Proskurina, and Yelena Kostiusheva generously shared information that in some cases proved priceless.

I am especially grateful to the librarians of the Central State Archives of Russia.

I sincerely thank all who read the original Russian manuscript in its entirety or in part and aided me with their comments and their interest in the project, particularly Yefim Etkind, Yulia Kagan and Moisei Kagan, Marina Khmeleva, Igor Kon, Irina Manson, Boris Kolonitsky, Lazar Fleishman, Andrew Samuels, Natalie Zaltsman, Leonid Gozman, Lilya Mikhailova, and Yakov Gordin.

A number of clarifications and additions have been introduced in this English edition in grateful response to reviews and comments on the Russian edition from Ernest Gellner, D. S. Likhachev, James L. Rice, Irina Paperno, Eric Naiman, Andreas Trettner, Boris Paramonov, Eliot Bornstein, Svetlana Boym, Viktor Krivulin, Lesley Chamberlain, and Mariia Amelina. I wish also to thank Westview's anonymous reviewer for valuable suggestions and criticisms.

Special thanks to Rebecca Ritke for the patience and enthusiasm with which she edited the English translation.

Finally, I send gratitude separately to my daughter, Anna Etkind.

Alexander Etkind
