Interactive Visual Reviews The popular feature called *Visual Reviews*, has been retained from the seventh edition text and turned into interactive exercises which can be found on the book's online learning center.

All this plus the best in Learning Technology...

PRISM CD-ROM

Psychology Resources and Interactive Study Media The state of the art PRISM CD-ROM combines 60 interactive simulations and exercises with text specific study materials including: learning objectives, review exercises, key terms and practice quizzes to create a truly interactive learning experience.

McGraw-Hill's Psycafe and Online Learning Center The virtual coffee house for Introductory Psychology on the World Wide Web is a virtual treasure trove of resources for teaching and learning and Lahey is there. Inside you will find images, links, newsletters, discussion groups, and PowerPoint slide shows, cross-word puzzles, interactive exercises all structured within a robust textbook website designed to facilitate learning.
